## COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

**DATE:** \_\_\_\_\_

### **SUBJECT:**

Approval of Construction Contract: Davidson Hall Exterior and Roofing Upgrades

### **BACKGROUND INFORMATION:**

State law requires the Board of Trustees to authorize the award of construction contracts for any project that exceeds \$200,000.

This project will make exterior building upgrades to Davidson Hall to address water infiltration and building envelope issues. The upgrades include roof replacements over Davidson Hall and the connector space between Davidson Hall and Madison Hall, and select window and exterior door replacements.

Using a competitive bid process, the General Contracting firm with the lowest responsible bid was Berglund Construction Company, with a bid of \$2,448,000. In addition to the construction contract, we are requesting a 10% construction contingency, which brings the total project budget, including previously approved contracts, to \$2,990,000. This project will be funded entirely with Series 2020 Bond funds.

With the approval of this contract, the construction is anticipated to commence in summer 2023 and be complete in spring 2024.

### **RECOMMENDATION:**

That the Board of Trustees authorizes the College to enter into the following construction contract and authorizes a 10% material threshold above the total project budget pursuant to Board Policy 9-02, Capital Expenditures:

Project	Company	Amount
Davidson Hall Exterior and Roofing Upgrades (CTI-210012)	Berglund Construction Company	\$2,448,000
Construction Contingency (10%)	Columbus State	\$244,800

### **SUBJECT:**

Approval of Construction Contract: Moeller Hall Exterior Foundation Repair

### **BACKGROUND INFORMATION:**

State law requires the Board of Trustees to authorize the award of construction contracts for any project that exceeds \$200,000.

This project will address the exterior and foundation issues at Moeller Hall, which include underpinning the footer, reworking the curtainwall, and replacing broken glass. It will also tuck-point the cracked masonry and reseal and caulk the exterior. Early assessments of this project indicated that the floor could be leveled with minimal cost, well under the \$200,000 threshold. Once underway, site investigations revealed substantial structural damage and unsuitable soils. Because this project will now exceed the \$200,000 threshold, it is being brought to the Board of Trustees for consideration and authorization.

Using a competitive bid process, the General Contracting firm with the lowest responsible bid was The Righter Company Inc., with a bid of \$367,500. In addition to the construction contract, we are requesting a 10% construction contingency, which brings the total project budget, including design service costs, to \$444,000. This project will be funded with local funds.

With the approval of this contract, the construction is anticipated to commence in spring 2023 and be complete in early fall 2023.

### **RECOMMENDATION:**

That the Board of Trustees authorizes the College to enter into the following construction contract and authorizes a 10% material threshold above the total project budget pursuant to Board Policy 9-02, Capital Expenditures:

Project	Company	Amount
Moeller Hall Exterior Foundation Repair (CTI-220068)	The Righter Company, Inc	\$367,500
Construction Contingency (10%)	Columbus State	\$36,750

### **SUBJECT:**

Approval of New Policy, 7-16: Student Religious Accommodations

### **BACKGROUND INFORMATION:**

New Policy 7-16 fulfills the requirements of HB 353, which directs colleges to adopt a policy that reasonably accommodates the sincerely held religious beliefs and practices of individual students with regard to all examinations or other academic requirements and absences for reasons of faith or religious or spiritual belief system. The policy:

- *Permits a student to be absent for up to three days each semester to take holidays for reasons of faith or religious or spiritual belief system or to participate in organized activities conducted under the auspices of a religious denomination, church, or other religious or spiritual organization;*
- *Specifies that the institution is prohibited from imposing an academic penalty as a result of a student's absence under the policy;*
- *States that instructors must accept without question the sincerity of a student's religious or spiritual belief system and keep alternative accommodation requests confidential;*
- *Includes a process for students to notify the institution of any grievance regarding the policy's implementation;*
- *Requires each course syllabus to include the institution's policy on requesting accommodations and the contact information of a person who can provide further information; and*
- *Requires the institution to post the policy on its website, including the contact information of a person who can provide further information and a non-exhaustive list of major religious holidays or festivals for the next two academic years.*

### **RECOMMENDATION:**

That the Board of Trustees adopt New Policy 7-16, Student Religious Accommodations, effective March 23, 2023.

## NEW POLICY

### (A) PURPOSE

- (1) The College reasonably accommodates the sincerely held religious beliefs and practices of students on all examinations or other academic requirements and absences for reasons of faith or religious or spiritual belief system in accordance with the “Testing Your Faith” Act.

### (B) STUDENT RIGHTS

- (1) Students are permitted to be absent for up to three (3) days each academic semester for reasons of faith or religious or spiritual belief system or to participate in organized activities conducted under the auspices of a religious denomination, church or other religious or spiritual organization without academic penalty.
- (2) Students shall be provided with alternative accommodations for examinations and other academic requirements missed due to the absence described above, if both of the following apply:
  - (a) The student's sincerely held religious belief or practice severely affects their ability to take an examination and/or meet an academic requirement.
  - (b) Not later than fourteen days after the first day of instruction in a course, the student provides the instructor with written notice of the specific dates for which they request alternative accommodations.
- (3) Students may contact the Executive Assistant for the Office of Academic Affairs for additional information about this policy.

### (C) INSTRUCTOR OBLIGATIONS

- (1) Instructors shall accept without question the sincerity of a student’s religious or spiritual belief system.
- (2) Instructors shall keep requests for alternative accommodations confidential.
- (3) Instructors shall schedule a time and date for an alternative examination and/or other academic requirement(s), which may be before or after the originally scheduled time and date but is without prejudicial effect.

- (4) Instructors shall include a syllabus statement in each course that includes:
  - (a) A description of the general process for requesting accommodations; and
  - (b) A statement referring students to the Executive Assistant for the Office of Academic Affairs as the point of contact for additional information about this policy.

(D) COLLEGE WEBSITE POSTING REQUIREMENTS

- (1) The College shall post a copy of this policy on its website.
- (2) The College shall post a non-exhaustive list of major religious holidays and festivals for the next two (2) academic years. This list will include a statement that the list is non-exhaustive and may not be used to deny accommodations to a student for a holiday or festival of the student's faith or religious or spiritual belief system that does not appear on the list.

(E) STUDENT GRIEVANCE PROCESS

- (1) Students are provided a grievance process if they believe this policy has been violated.
  - (a) A student may first discuss their concern with the instructor to determine if a resolution can be reached.
  - (b) A student may file a written grievance explaining how they believe this policy was violated with the chairperson of the department offering the course in question within ten (10) business days of the alleged policy violation.
  - (c) If additional information is needed from the student to understand or to clarify the grievance, the department chairperson shall contact the student prior to consulting with the instructor. The department chairperson shall issue a written response to the student within ten (10) business days of receipt of the grievance.
  - (d) If the grievance involves the denial of day(s) of absence under Section (B) of this policy, the department chairperson shall make every reasonable effort to respond to the grievance prior to the requested dates.
  - (e) The determination of the department chairperson is final.

(f) For purposes of this policy, “business days” are Monday through Friday when classes are in session, excluding holidays and times when the College is closed.

(F) The President may establish procedures to administer this policy.

## COMMUNITY COLLEGE

March 7, 2023

**TO:** Dr. David T. Harrison, President

**FROM:** Aletha M. Shipley, Senior Vice President | Chief Financial Officer | Treasurer

**SUBJECT:** Financial Statements as of January 31, 2023

Attached are the financial statements of the Columbus State Community College District and the Foundation for the period ended January 31, 2023.

### 1. General Fund (Exhibit B)

**Revenues.** For the month of January, YTD revenues reported for FY23 are 3.2% (\$2.9M) above last year with State Subsidy up 3.2% (\$1.4M), and Special Courses up 154.9% (\$759K). Year-to-date tuition revenue is up 1.1% (\$487K), which is the result of SP23 enrollment being up over SP22 and a 3.0% tuition rate increase that became effective this fall.

Enrollment for AU22 was budgeted up 3.0% from last year but is estimated to land 1.5% down. There are positive signs that the College is beginning to recover from enrollment lost during the pandemic. New students in AU22 were up, in large part a result of the Columbus Promise Program, and College Credit Plus (CCP) enrollment is also up after being down last year. SP23 enrollment is estimated to land 1.0% above SP22, which is assumed in the year-end projection on Exhibit B (Column G).

State Subsidy (State Share of Instruction or SSI) was budgeted 3.1% (\$2.4M) higher than what was received in FY22, based on ODHE's preliminary FY23 calculation for Columbus State. ODHE reported that the College's final FY23 SSI amount would be \$182K lower than budget but then restored about \$100K leaving the final FY23 SSI amount about \$82K below budget.

Term	Budgeted Credit Hours	Actual Credit Hours*	Budget to	Prior Year FTEs	Current Year FTEs*	% Variance
			Increase/ Decrease			
Summer 2022**	37,546	32,309	-13.9%	5,150	4,682	-9.1%
Autumn 2022	201,316	193,213	-4.0%	13,080	12,881	-1.5%
Spring 2023	180,834	176,851	-2.2%	11,672	11,790	1.0%
Summer 2023**	45,407					

\* Summer 2022 credit hours and FTEs are Census Day numbers provided by the Ohio Department of Higher Education (ODHE). Autumn 2022 credit hours and FTEs are estimates provided by the Office of Institutional Effectiveness (IE). Spring 2023 credit hours and FTEs are estimates by the Resource Planning & Analysis (RPA) Office.

\*\* Summer semester 2022 straddles both FY22 and FY23, with 46% of the revenue attributed to FY23. Likewise, Summer semester 2023 straddles both FY23 and FY24, with 54% of the revenue attributed to FY23.

**Expenses and Transfers.** Through the month of January, expenditures are 0.8% (\$679K) higher than the same period last year. Higher spending patterns are emerging in FY23 as the College continues to shift back to in-person operations. The year-end projection provided on Exhibit B (Column G) assumes significant underspending due primarily to one-time vacancy savings that are mostly the result of continued hiring challenges. The one-time vacancy savings will create salary-related benefit savings which will help offset the upward adjustment from budget to group health insurance's year-end projection of \$4M. This expense is always difficult to project and will be closely monitored through the second half of the year.

**COVID-19 Federal Support.** The College has been awarded a number of federal grants to address needs related to the pandemic since FY20. Only three grants remain for FY23: HEERF (Institutional), HEERF (Student), and Title III. All are expected to expire at the end of FY23 and the College is on pace to use all of the remaining funds.

## 2. **Auxiliary Fund** (Exhibit D)

Bookstore revenues are up \$815K, or 15.4%, compared to the same period last year. Textbook sales are up \$96K, Inclusive Access is up \$194K, and General Merchandise is up \$248K. Investment income is up \$189K. Overall, Auxiliary expenses are down 4%, about \$33K, primarily due to a decrease in Bookstore expenses while Food Services and Auxiliary Administration expenses combined to increase by approximately \$5K. Food Service revenues are up \$66K to last year while there was no Other revenue to date for FY23 due to parking not being charged for Autumn and Spring semesters.

## 3. **Foundation** (Exhibits F and G)

Total Foundation revenues are up \$1.7M, primarily due to a number of new gifts in FY23, of between \$20K and \$1M each, and an increase in investment income of \$400K over last year. Revenue for Taste the Future is up 62% or \$51K. Unrestricted expenses are down 24.7% compared to last year, primarily due to timing of investment fees. Staff expense charged to the Foundation and Cultivation are both higher in the current year, while Consultant Fees were considerably higher last year and are not being charged in the current year.

## 4. **Investments**

The College's portfolio is invested consistently with its investment policy, with 21.84% currently invested in STAR Ohio and other money markets, and the balance in various federal agencies, municipal bonds, and treasury notes. Several investment funds were created in FY21 to maximize earnings on the proceeds from the \$150M of bonds issued in October 2020 and proceeds from Franklin County tax collections for debt service for the College's first-ever voted bond issue. Of the \$613K net gain in interest income reported on Exhibit B, \$377M is unrealized loss while \$990K is realized income and includes earnings generated from bond proceeds.
