**BOARD OF TRUSTEES
COMMITTEE OF THE WHOLE**

Thursday, November 10, 2022
8:00 AM
Franklin Hall, Pete Grimes Boardroom
277 Jefferson Avenue
Columbus, OH 43215

AGENDA

1. Call to Order
2. Roll Call
3. Certification of Conformity with Section 121.22(F) of the Ohio Revised Code
4. Opening Remarks from President Harrison
5. Approval of Minutes
6. 2023 Dates for Committee of the Whole and Board of Trustees Meetings.....1
7. Approval of the Naming of Facilities in the School of Hospitality Management and Culinary Arts,
Mitchell Hall.....2
8. Approval of Adoption of FY22 Efficiency Report.....5
9. Approval of Property Acquisition.....92
10. Approval of Construction Contract: External Emergency Speaker Replacement.....94
11. Approval of Construction Contract: Moeller Hall Geology Lab.....95

12. Approval of Construction Contract: Center for Technology and Learning Lab Upgrades.....	96
13. Approval of Revisions to Employment Policy 3-02.....	97
14. Approval of Revisions to Payroll Policy 3-07.....	100
15. Approval of Revisions to Sick Leave Policy 3-10.....	102
16. Approval of Revisions to Family and Medical Leave Policy 3-36.....	105
17. Approval of Revisions to Promotion and Tenure Policy 5-19.....	108
18. Approval of Revisions to Operational Budget Policy 9-01.....	113
19. Approval of Revisions to Capital Expenditures Policy 9-02.....	115
20. Approval of Revisions to Reports Policy 9-07.....	117
21. Approval of Adoption of New Free Speech Policy 13-15.....	119
22. Financial Statements as of and for the Three Months Ended September 30, 2022 (<i>Information Only</i>).....	123
23. Personnel Information Items (<i>Information Only</i>).....	135
24. Executive Session (<i>if needed</i>)	
25. Adjournment	

Board Meeting Schedule – 2023

COMMITTEE OF THE WHOLE MEETINGS

<u>Date</u>	<u>Time</u>	<u>Location</u>
Friday, January 20, 2023	8:00 a.m.	Franklin Hall Boardroom
Friday, March 17, 2023	8:00 a.m.	Franklin Hall Boardroom
Friday, May 19, 2023	8:00 a.m.	Franklin Hall Boardroom
Friday, July 21, 2023	8:00 a.m.	Franklin Hall Boardroom
Friday, September 15, 2023	8:00 a.m.	Franklin Hall Boardroom
Thursday, November 9, 2023*	8:00 a.m.	Franklin Hall Boardroom
Friday, January 19, 2024	8:00 a.m.	Franklin Hall Boardroom

(Third Friday of odd-numbered months only. Other meetings may be called according to need).

**Adjusted due to conflict*

BOARD OF TRUSTEES MEETINGS

<u>Date</u>	<u>Time</u>	<u>Location</u>
Thursday, January 26, 2023	6:00 p.m.	Mitchell Hall Crane Room
Thursday, March 23, 2023	6:00 p.m.	Delaware Campus
Thursday, May 25, 2023	6:00 p.m.	Mitchell Hall Crane Room
Thursday, July 27, 2023	6:00 p.m.	Mitchell Hall Crane Room
Thursday, September 28, 2023	6:00 p.m.	Mitchell Hall Crane Room
Thursday, November 16, 2023*	6:00 p.m.	Mitchell Hall Crane Room
Thursday, January 25, 2024	6:00 p.m.	Mitchell Hall Crane Room

(Fourth Thursday of odd-numbered months only. Other meetings may be called according to need.)

**Adjusted due to conflict*

Columbus State Community College Board Action Sheet

DATE: _____

SUBJECT

Naming of Facilities in the School of Hospitality Management and Culinary Arts, Mitchell Hall.

BACKGROUND INFORMATION

Policy No. 1-14 was established to bestow the honor of naming College facilities and units to recognize financial contributions to support the physical space named, to recognize exceptional service, and to recognize long-term and significant financial contributions to the College. The responsibility and authority for naming a unit or facility shall be that of the Board of Trustees, acting after receiving a recommendation from the Naming Advisory Committee.

Beginning with the lead gift of \$2.5 million from Cameron Mitchell, fundraising for the new School of Hospitality Management and Culinary Arts building now exceeds \$10 million. In accordance with policy, the Naming Advisory Committee recommends naming designations in recognition of contributions to the School of Hospitality Management and Culinary Arts as indicated on Exhibit A.

RECOMMENDATION

That the Board of Trustees accepts the recommendation of the Naming Advisory Committee for facilities in the School of Hospitality Management and Culinary Arts.

RECOMMENDATIONS OF NAMING ADVISORY COMMITTEE

SCHOOL OF HOSPITALITY MANAGEMENT AND CULINARY ARTS BUILDING

SPACE	LOCATION	PROPOSED NAME	DONOR	GIFT AMT
APPROVED MARCH 2019				
Building	250 Cleveland Avenue	Cameron Mitchell Hall PROPOSED EXTERIOR SIGNAGE: Mitchell Hall	Cameron Mitchell; Cameron Mitchell Restaurants	\$2,500,000
Beverage & Mixology Lab	3 rd Floor, corner	Heidelberg Distributing Company Beverage Lab	Heidelberg Distributing Co. (Miller Family)	\$500,000
Culinary Theatre	1 st Floor	Wasserstrom Foundation Culinary Theatre	Wasserstrom Company	\$500,000
Bakery Production Lab	1 st Floor, next to Bakery Café	Bundy Baking Solutions Lab	Bundy Baking Solutions (Bundy Family)	\$250,000
Production Kitchen	1 st Floor serving restaurant & catering	Ingram-White Castle Foundation Production Kitchen	Ingram-White Castle Foundation	\$250,000
Board Room	1 st Floor	American Electric Power Foundation Board Room	American Electric Power Foundation	\$250,000

2 nd Floor Business Office Across from Crane Room	Room 221	Event Source Business Center	Event Source	\$25,000

COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

DATE: _____

SUBJECT:

Adoption of FY22 Efficiency Report.

BACKGROUND INFORMATION:

Section 3333.95 of the Ohio Revised Code requires that the Chancellor maintain an efficiency advisory committee made up of representatives from all of Ohio's public higher education institutions for the purpose of "generating institutional efficiency reports for campuses, identifying shared services opportunities, streamlining administrative operations, and sharing best practices in efficiencies among public institutions of higher education." The Ohio Revised Code also requires the Chancellor to compile efficiency reports from all public institutions into a statewide efficiency report, which must be provided to the Office of Budget and Management (OBM), the Governor, the President of the Senate, and the Speaker of the House of Representatives by December 31 of each year.

Columbus State's FY22 Efficiency Report has been developed by College leaders guided by templates provided by the Ohio Department of Higher Education (ODHE). The report is organized into four sections: Efficiency and Effectiveness, Academic Practices, Policy Reforms, and Future Goals. It also includes three appendices that were requested by ODHE. The report was submitted to the Ohio Department of Higher Education on October 14, 2022, as required, pending Board approval.

Columbus State developed the Efficiency Report by consulting with leadership from across the college, and includes many efficiency measures that exemplify the college's commitment to stewardship, affordability, and student success.

RECOMMENDATION:

That the Board adopt the College's FY22 Efficiency Report as attached.

COLUMBUS STATE

COMMUNITY COLLEGE

October 14, 2022

The Honorable Randy Gardner
Chancellor
Ohio Department of Higher Education
25 South Front Street
Columbus, Ohio 43215

Dear Chancellor Gardner,

Attached is Columbus State Community College's FY22 efficiency report as required per Section 3333.95 of the Ohio Revised Code. The attached responses are pending approval from the Columbus State Board of Trustees, which is expected in November.

The College began to transition back to in-person operations over FY22 and were guided by the following principles:

- *Invest in innovation and economic recovery:* Accelerate equitable student, institutional, and community outcomes; reduce financial stability barriers for students; and recover students who have stopped out because of the pandemic.
- *Practice exemplary financial stewardship:* Make short-term investments (2-3 years) with the long-term vision in mind; implement efficient operational practices learned during the pandemic, as applicable; and ensure long-term financial stability.
- *Continue to prioritize safety, health, and well-being of internal workforce and students:* Integrate diversity, equity, and inclusion principles into all that we do; and maintain a safe and healthy workplace.

The attached FY22 efficiency report highlights some of the work that was accomplished while also exemplifying the above principles.

As the College began development of the FY23 budget, it recognized that it was going to take time to fully recover from the impacts of the pandemic and that some ways of doing business may never be the same. So, while FY23 represents the third full academic year since the pandemic began, the College is also viewing it as the first year of a three-year recovery. Enrollment declines since the pandemic began directly hinders the region's employers from obtaining the talent that they need. Columbus State was a leader in the community's efforts to navigate, respond to, and inform future strategies for community recovery. This leadership role will continue as the community looks to Columbus State as a key to talent development for the region's economic recovery.

DAVID T. HARRISON Ph.D. PRESIDENT

Following are just a few examples of collaborative partnerships and initiatives that are underway to meet the needs of our students and help our community recover:

- *Columbus Promise:* Announced in November 2021, Columbus Promise is a joint initiative of the City of Columbus, Columbus City Schools, I Know I Can, and Columbus State Community College that has strong funding support from the City, community, and corporate philanthropy. Qualifying students receive at least six semesters of tuition-free education as well as \$500 per semester to help pay for books, technology, and other life expenses. Students also receive a dedicated advisor to help them transition from high school to college, align career and educational goals to an academic plan, and identify the supports needed to stay on track to completion. This fall over 580 students enrolled in the program, roughly doubling the number of students coming from Columbus City Schools in recent years.
- *Intel's Ohio Investment:* When Intel announced a \$20 billion investment in Ohio to develop 1,000 acres of land in Licking County into two production hubs, Columbus State was immediately asked to collaborate with Central Ohio leaders to determine how the talent needs for the estimated 7,000 construction jobs and 3,000 permanent high-tech jobs at Intel would be met. The August signing of the federal CHIPS and Science Act into law is now expected to dramatically accelerate Intel's investment in Central Ohio resulting in tens of billions of additional dollars in expanded factory development and 12,000 or more total new jobs in direct Intel employment. This does not account for all the additional jobs that will be necessary to meet the workforce needs of Intel's supply chain.

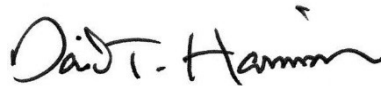

With about 70% of the Intel jobs being technician roles that require no more than an associate degree, Columbus State began working with the Ohio Association of Community Colleges and the State to determine what curricular development was necessary to train and educate individuals for these jobs. As a result, Intel awarded \$2.8 million to support the Ohio Semiconductor Collaboration Network that will be led by Columbus State and that will create open, sharable curriculum for integration among all 23 community colleges in Ohio.

- *Capital Plan Implementation:* Franklin County voters approved a \$300 million bond issue in support of Columbus State's \$441 million capital plan approved by its Board of Trustees in September of 2019. Over the summer of 2020 the College issued its first series of bonds and then began to address overdue deferred maintenance needs as well as planning to ensure that implementation is mindful of the changes that the pandemic might have on space needs. The strategic investment plan that is being finalized now has already led to the advancement of two upgrades in priority industry sectors:
 - The College is currently designing a new Early Childhood Education Center - an industry dramatically impacted by the pandemic. The 100-student center will serve as a learning lab for students aspiring to be early childcare education professionals while also providing essential early childcare and educational services to the children of Columbus State students, employees, and the community. The center is expected to open in the fall of 2023.

- The search for an architect is underway to transform property the College purchased on East Spring St. to serve its automotive technology program. The new location will provide a modern work environment for the program and position the College to be a leader in education and training for the next generation of automotive repair technologists and technicians. It will also enable expansion of manufacturer-sponsored programs.
- *New Student Information System (SIS)*: The College selected Workday as its new enterprise reporting system to serve its financials, human resources, and student information system needs. The HR and financial management modules were the first phase of implementation and are expected to go live in January of 2023, followed by the student information system modules beginning in academic year 2024-2025. The new system will not only eliminate many ancillary systems that lead to manual and inefficient operations, but will also provide students a more robust and user-friendly system to navigate their educational pursuits at the College.

As always, thank you for your continued support. Please let me know if you need any additional details on the information included in Columbus State's report.

Respectfully,

David T. Harrison
President

FY22 Efficiency Report

Columbus State Community College

Section I: Efficiency and Effectiveness

1. Each institution should regularly identify and evaluate its major cost drivers, along with priority areas that offer the best opportunities for efficiencies. Institutions should also track their progress in controlling costs and improving effectiveness.

- a) What ratios, metrics, or benchmarks does your institution utilize to evaluate operational efficiencies and the appropriate balance of instructional vs. administrative expenses? How is such data utilized by your institution? Please summarize and provide an overview of your performance based on each measure.

As reported last year, Columbus State maintains an Instructional Cost Model (ICM) which allocates the College's revenues and expenditures across courses and sections. This internal model is used by departments when conducting academic program reviews. Per section metrics include instructional costs, indirect costs, tuition, subsidy, and average class sizes.

Also, the capital planning work that the College has been implementing over the past two years has included benchmarking several capital and operational items for priority industry sectors that are critical to meeting the workforce needs of Central Ohio. The foundational work in this area has informed and is helping to advance the College's capital planning efforts in an operationally sustainable way.

- b) For definitional purposes, what IPEDS (or other uniformly accepted) expense categories, or subset(s) therein, would you include in instructional expenses and administrative expenses? Please explain.

For external reporting to Ohio's Higher Education Information (HEI) System, the College uses various applicable budget categories to report instructional and administrative expenses. These categories are not used internally to report or analyze expenses. For internal purposes, expense categories in instructional and administrative expenses are analyzed at the functional level and by division. For example, instructional expense categories include faculty and adjuncts, and administrative costs are analyzed by each of the College's divisions.

- c) Are you aware of national models used to benchmark institutional efficiencies? If so, please provide.

The Higher Learning Commission's (HLC) Institutional Update report, the National Community College Benchmarking Project (NCCBP), and the National Community College Cost and Productivity Project (NCCCPP) provide benchmarks or publish metrics that can be used for self-evaluation.

- d) In the last year, has your institution received positive media coverage about operational efficiencies? If so, please provide.

In the last year, Columbus State Community College has been recognized in the media for bringing about efficiencies through its strong collaborations and partnerships.

On November 10, 2021, the College was featured extensively in local media following the announcement of the Columbus Promise program. Columbus Promise is a partnership between the City of Columbus, Columbus State, Columbus City Schools (CCS), I Know I Can, and private partners that will provide tuition-free education at Columbus State for graduating CCS seniors, starting with the Class of 2022. Links are provided here: [WCMH-TV \(NBC 4\)](#) [WSYX-TV \(ABC 6\)](#) [WBNS-TV \(10TV\)](#).

[Columbus Dispatch](#) [Columbus Business First](#) (These articles may only be viewable with a subscription)

On January 19, 2022, the College was featured in an Automation World trade publication article about building a mixed lab space and partnering with Universal Robots on a program where local manufacturing employees and Columbus State students can gain hands-on experience with a new breed of collaborative robots (cobots). This innovative program comes amid the 2021 formation of the U.S. Federal Advanced Robotics for Manufacturing Institute (ARM) and ODHE permitting Universal Robot's training curriculum on Ohio's industry-recognized credential list so that students will now be able to receive college credits for the program.

On March 17, 2022, Columbus State Community College was centered in the groundbreaking news that Intel, one of the world's largest semiconductor chip manufacturers, would be investing \$100 million in educational funding in Ohio as part of its broader \$20 billion investment of production in Ohio, with an additional \$50 million match in NSF grants. This information was well covered in local media. Links are provided here: [Associated Press](#) [WBNS-TV \(10TV\)](#) [WCMH-TV \(NBC 4\)](#) [WSYX-TV \(ABC 6\)](#)

[Columbus Dispatch](#) (This article may only be viewable with a subscription)

Additional information on the impact of the Intel partnership can be found within this report in the cover letter.

2. Regional Compacts

ORC Section 3345.59 requires regional compacts of Ohio’s public institutions, with an executed agreement in place by June 30, 2018, for institutions to collaborate more fully on shared operations and programs. The section identifies nine areas to be addressed to improve efficiencies, better utilize resources and enhance services to students and their regions. Per paragraph E of that section:

(E) Each state institution of higher education shall include in its annual efficiency report to the chancellor the efficiencies produced as a result of each compact to which the institution belongs.

Please discuss efficiencies gained or opportunities for future partnerships in any of the relevant categories below.

Columbus State formed the Central Ohio Region Higher Education Compact (CORHEC) along with Central Ohio Technical College, Marion Technical College, North Central State College, and The Ohio State University as required by law. Each CORHEC member is also a member of the Central Ohio Compact that Columbus State has led since 2011. The Central Ohio Compact is a regional collaboration between government officials, K-12s, public and private institutions of higher education, social service programs, and workforce/economic development professionals, with a goal of 65% of adults holding a postsecondary credential in Central Ohio by 2025. Many regional efficiencies have been gained through this broader compact.

Category	Description
Reducing duplication of academic programming	The Low Enrollment Course and Program and Duplicate Program Report that is due this year was completed per instructions from ODHE and submitted on 09/28/2022.
Implementing strategies to address workforce education needs of the region The Ohio Semiconductor Collaboration Network Capital Planning Implementation Other Workforce Education work	See cover letter and response to Question 1d. See cover letter. See pages 45-47 of CSCC’s 2022 Completion Plan submitted on 06/30/2022.

Sharing resources to align educational pathways and to increase access within the region

Exact Track Program:

In August of 2019, the College launched the Huntington Exact Track program, in partnership with Huntington National Bank and Franklin University offering an accelerated business program for Huntington associates to earn an associate and bachelor's degree in a lock-step cohort model. Huntington pre-pays tuition to eliminate the financial barrier for associates. Initially offered as a hybrid model, the program has moved entirely online as a result of the pandemic.

Columbus Promise

In the first graduating class of the Exact Track program, eighteen students had their Associate of Applied Science in Business Management degrees conferred in SP22, successfully completing eight semesters of coursework. The graduates will continue on to earn their bachelor's from Franklin University.

The Forward Together Program (outlined below) provided critical input to successfully stand up the Columbus Promise Program, which is highlighted in the cover letter and the response to Question 1d.

(Forward Together: Columbus State used its federal HEERF funds to support high school seniors who disengaged from their education during the pandemic. Staff worked with local public schools and community organizations to identify recent high school graduates without career/academic plans, who could benefit from guidance and support in taking first steps toward education and careers in healthcare and construction/skilled trades. Students were provided with a navigator—a personal coach who worked with a group of no more than 30 students, served as a hands-on holistic advisor, and connected students to resources at the College and in the community. Program participants received full educational support (tuition, fees, books) from Columbus State, as well as a monthly stipend in the form of a progress award.)

Reducing operational and administrative costs to provide more learning opportunities and collaboration in the region

CCP Online Academy:

In FY21, a number of online courses were made available exclusively for College Credit Plus (CCP) students. These courses helped school districts with some of the challenges they were facing while they were mostly virtual. In FY22, no specific CCP academy classes were necessary to run since Columbus State has continued to offer so many robust online options.

Employee Sponsored Programs:

Over the last several years, the Health & Human Services Division has partnered with employers to sponsor incumbent and potential employees, often via the College's Office of Partnerships & Programs. These partnerships provide a streamlined enrollment, registration, and fee payment process for students and employers who sponsor the students via their tuition pre-imburement benefits. There are several benefits to these programs operationally. Benefits for students include saving money on tuition, access to advising, access to student services, and set schedules from the College and often employers. Students can take more credits and finish quicker because the employer usually provides schedules that allow for the coursework to be completed, as opposed to students developing a schedule around their work commitments. The main benefit to employers is finding quality talent to meet their workforce needs.

Online classes continue to be very popular with CCP students. The convenience of flexible schedules and the ability to stay on-site at their high school has made these classes very attractive, and many districts are seeking more online options (particularly options that do not require on-campus assessments). A "live-online" option was explored for IT, but feedback from district partners showed that students needed the flexibility of a truly web-based/online anytime class. Live-online courses include components of real-time online instruction.

A few examples of employee sponsored programs are:

Nursing/TRIO and Nationwide Children's Hospital pilot: A small number of RN students, who must qualify for TRIO (a federally funded program that serve students from disadvantaged backgrounds), are sponsored by the hospital each year. This partnership was developed to increase access to students from underrepresented zip codes in the service district.

Respiratory Therapy: Twelve students are currently sponsored by hospital systems. The program stood up a part-time option to accommodate this program.

Law Enforcement Academy and Columbus Division of Public Safety: The City of Columbus paid for eleven Department of Police interns (from a special program to increase diversity in the police force) to attend Columbus State's Law Enforcement Academy.

Enhancing career counseling and experiential learning opportunities for students

[Advising and Career Services Department](#)

[The IT Flexible Apprenticeship \(ITFA\), Modern Manufacturing Work Study \(MMWS\), and Nationwide Financial Services Apprentice Programs:](#)

These programs continued to offer effective “earn and learn” opportunities for students with collaboration from the Offices of Advising and Career Services and Employer Engagement and Experiential Learning (EEEL).

In 2021, the College moved Career Services under Student Affairs and created the Department of Advising and Career Services. This new department brings together academic advising and career exploration and development, helping students to better align their education pathway to the career they are pursuing. Additional training, professional development, and structure for academic advisors, as well as a newly created centralized advising center are allowing the department to provide students greater access to career exploration and development and experiential learning opportunities.

In partnership with the Office of Talent Strategy, the College created a new position to help connect students with employers seeking talent. The Employer-Student Engagement Coordinator will partner with employers, faculty, and staff across academic and non-academic departments to connect students with employer partners.

Results for the ITFA, MMWS, and Nationwide Apprentice programs:

- ITFA – The 2022 ITFA Cohort began with 87 students, of which 56 completed the career and academic requirements to interview with partner employers, and 34 students accepted an apprenticeship offer across 10 partner employers. The average wage of these apprenticeships was \$22.94, with a range of \$18.25 - \$25.10.
- MMWS – The 2020 Cohort: 27 students were hired for paid experiential learning positions with 15 Central Ohio employers. The average hourly wage for these positions was \$18.71. Additionally, 17 students completed the program with an average starting salary of \$50-\$60K. The 2021 Cohort: 55 students started in AU21, and 31 students were hired for paid experiential learning positions in the spring with 15 Central Ohio employers. The average hourly wage for these positions was \$21.87.
- Nationwide – The pre-pilot began with the selection of two students who were already attending Columbus State. One of the participants

	<p>graduated and remains employed at Nationwide; the other participant is on pace to graduate in AU22 and has been offered a position in Arizona beginning in January 2023. The pilot began with seven students recruited from two Columbus City Schools (Linden McKinley and Northland). Each student began taking courses in AU21 and five students persisted and began working in apprentice positions at Nationwide in January 2021. As of September 2022, four participating students are still employed. All are earning \$21.00 per hour and working up to 20 hours per week.</p>
<p>Expand alternative education delivery models such as competency-based and project-based learning</p> <p><u>Live Online:</u> Synchronous online course delivery was added to the College’s distance learning program. Alternative delivery models such as this provide flexibility for students and are increasingly being recognized for having additional educational effectiveness.</p>	<p>The College added 20 Hyflex teaching classrooms outfitted with high-end instructor stations, document camera, advanced audio capabilities, student and faculty cameras and television screens to enable faculty to more effectively deliver simultaneous face-to-face and virtual instruction and more dynamic live online instruction. The College’s Learning Management System was enhanced, and virtual proctoring software was expanded. The development of online course assets and eBooks has also increased.</p>
<p>Collaboration and pathways with information technology centers, adult basic and literacy education programs and school districts</p> <p><u>New Skills Ready Network:</u> Columbus, Ohio is one of the six sites selected to participate in the New Skills Ready Network. This five-year initiative, launched by JPMorgan Chase & Co. in 2020, aims to improve student completion of high-quality career pathways. It is a collaborative effort led by Ohio Excels which includes Columbus City Schools (CCS), Columbus State, The Ohio State University (OSU), the Ohio Department of Education, and Ohio Department of Higher Education to advance career pathways that align to postsecondary education opportunities, particularly for students in underserved communities.</p>	<p>The partnership with CCS and OSU as part of the New Skills Ready Network continues. Specific pathways that lead to high-demand, high-wage jobs in the IT and healthcare sectors have been identified. Moreover, plans for professional development with teachers and counselors have been developed. In addition, new collaborations and opportunities to promote the pathways to students and their families are materializing.</p>

<p>Enhancing the sharing of resources between institutions to expand capacity and capability for research and development</p> <p>Columbus State’s partnerships with institutions have expanded and improved grant opportunities of partner colleges. As of 2022, partnerships exist with Marion Technical College (Marion, Ohio), Rhodes State College (Lima, Ohio), Southern State Community College (Hillsboro, Ohio), and Washington State Community College (Marietta, Ohio). Support provided to other institutions includes identifying grant opportunities, aligning these opportunities to the colleges’ priorities, and development of grant proposals.</p>	<p><u>Marion Technical College (MTC):</u> During the Autumn of 2021, MTC was awarded \$1,386,875 through the USDOE TRiO Talent Search program which is designed to support and serve youth in grades 7–12. Additionally, Columbus State has partnered with MTC in the 2019 Department of Labor Scaling Apprenticeship grant and the 2019 NSF ATE Information Technology Flexible Apprenticeship grant in the Manufacturing and Information Technology Sector to accelerate the use of unregistered apprenticeships. The Columbus State Grants Office also supported MTC with its active grants by performing mock audits to help evaluate and inform internal controls related to grants management.</p> <p><u>Other collaborative work:</u></p> <ul style="list-style-type: none"> • The Grants Office has begun steps to partner with Southern State Community College on the 2019 Department of Labor Scaling Apprenticeship FLEXTech grant to expand the use of unregistered apprenticeships in the information technology sector. • The Columbus State Grants Office, in partnership with the College’s Welding Department, is engaging regional and state educational partners to replicate a new technology funded through the 2020 NSF ATE award WELDS Ohio. This program provides the technology to affix to welding trainers in labs at college and technical center lab spaces for the purpose replicating welding techniques of individuals aging out of the workforce and produce applicable data to inform academic outcomes.
<p>Identifying and implementing the best use of university regional campuses</p>	<p>This area is not applicable to Columbus State.</p>

<p>Other initiatives not included above</p> <p><u>The Ohio Consortium for Transfer Pathways to the Liberals Arts:</u> This grant-funded project is led by the Council of Independent Colleges and Ohio Foundation of Independent Colleges to build transfer pathways from community colleges to independent colleges in Ohio and to work toward creating sustainable best practices for transfer students to thrive and succeed at institutions throughout the Consortium. This project is part of a national initiative, generously supported by the Teagle Foundation and Arthur Vining Davis Foundations, to enhance communication between community colleges and independent colleges and expand transfer opportunities for students seeking a bachelor's degree in liberal arts and sciences. There are 14 independent colleges and 11 community colleges in Ohio participating in this project to build statewide pathways in biology, psychology, and English.</p>	<p>Work completed this past year includes:</p> <ul style="list-style-type: none"> • <u>September 2021:</u> Chief Academic Officers from a variety of 2-year and 4-year institutions were invited to meet and discuss current transfer initiatives, learn about project goals/timeline, and hear from leaders regarding best practices. Discussion on the ODHE Ohio Transfer 36 that will be part of the transfer pathways began. • <u>January 2022 - August 2022:</u> Faculty teams began developing transfer pathways in biology, English and psychology. In addition, 4-year institutions worked on aligning general education requirements with the Ohio Transfer 36 curriculum. <p>Work planned for the coming year includes:</p> <ul style="list-style-type: none"> • <u>September 2022 - December 2022:</u> Transfer pathway work continues into the Autumn 2022 semester, culminating with a signing ceremony in December at the Ohio Statehouse. • <u>January 2023:</u> Website updates posting the transfer pathway templates for biology, English and psychology are expected to begin. • <u>February 2023:</u> Faculty and transfer administrators will participate in a one-day workshop in Columbus, led by The Gardner Institute for Excellence in Undergraduate Education, with a focus on strengthening transfer culture and the important role of faculty in supporting transfer students. • <u>Spring 2023:</u> A webinar will be held on financial aid and scholarships for transfer students, to be attended by pathway faculty, transfer administrators, and other key stakeholders.
---	---

3. Co-located Campuses

ORC Section 3333.951(B) requires Ohio’s co-located colleges and universities to annually review best practices and shared services in order to improve academic and other services and reduce costs for students, and to report their findings to the Efficiency Advisory Committee.

This recommendation is not applicable to Columbus State.

Section II: Academic Practices

This section covers areas more directly related to instruction, with an emphasis on savings strategies related to the cost of textbooks, and the expanded use of alternative instructional materials.

Textbook Affordability

4. Textbook Cost Study

ORC Section 3333.951(D) requires Ohio’s public colleges and universities to annually conduct a study to determine the current cost of textbooks for students enrolled in the institution and submit the study to the Chancellor.

(D) Each state institution of higher education shall conduct a study to determine the current cost of textbooks for students enrolled in the institution, and shall submit the study to the chancellor of higher education annually by a date prescribed by the chancellor.

Please attach the analysis of textbook costs developed by your institution labeled “[Institution Name – Academic Year – Textbook Cost Study]” and summarize the results of your institution’s study below.

Category	Amount
Average cost for textbooks that are new	\$71.37
Average cost for textbooks that are used	\$50.19
Average cost for rental textbooks	N/A
Average cost for eBook	\$69.96

Please see [Appendix A](#) for the analysis of textbook costs.

5. Reducing Textbook Costs for Students

- a) ORC Section 3333.951(C) requires Ohio’s public colleges and universities to report their efforts toward reducing textbook costs for students.

(C) Each state institution of higher education annually shall report to the efficiency advisory committee on its efforts to reduce textbook costs to students.

Please discuss all initiatives implemented, including those referenced below that ensure students have access to affordable textbooks.

Columbus State faculty has been exploring textbook affordability options for students since 2011, with the establishment of the faculty-led Textbook Affordability Advisory Committee (TAAC). The OER initiative has enabled Columbus State to focus on increasing opportunities for students to access affordable classroom resources, and has enabled the college to honor its commitment to a strong equity and inclusion strategy by building inclusivity and accessibility into its OER resources and development processes.

The College works with faculty to determine the most affordable textbook options for the topics they are teaching. Decisions are always driven by student success. The two most popular means of providing affordable or free options to students are instant access (inclusive access) and OER. Details on these two options are provided below. Analyzing OER work done to-date led to the decision to target higher enrollment courses. To achieve this the College approved adding a part-time librarian to help with the identification of OER resources, an instructional designer to create content, and release time for faculty to develop new OER projects and/or to refresh existing OERs.

- b) ORC Section 3345.025 requires the board of trustees of each state IHE to adopt a textbook selection policy for faculty to use when choosing and assigning textbooks and other instructional materials.

3345.025 The board of trustees of each state institution of higher education as defined in section [3345.011](#) of the Revised Code shall adopt a textbook selection policy for faculty to follow in selecting and assigning textbooks and other instructional materials for use in courses offered by the institution. The policy shall include faculty responsibilities and actions faculty may take in selecting and assigning textbooks and other instructional materials.

In addition, the biennial budget bill, Am. Sub. HB 110, enacted Section 733.20 requiring state institutions of higher education to evaluate textbook affordability initiatives to ensure compliance with Title I, Section 133 of the federal "Higher Education Opportunity Act of 2008."

SECTION 733.20. (A) In furtherance of the State of Ohio's intent to improve affordability in higher education, and in recognition of the positive achievements of the Ohio Faculty Council's October 2017 resolution supporting textbook affordability initiatives, the State of Ohio hereby tasks Ohio's institutions of higher education with evaluating their respective implementation of textbook affordability initiatives.

(B)(1) Consistent with requirements in Title I, Section 133 of the federal "Higher Education Opportunity Act of 2008," institutions of higher education receiving federal financial aid shall disclose required and recommended textbooks not later than the time at which students can first begin to register for a course.

(2) Prior to academic year 2022-2023, the administration of each state institution of higher education, as defined in section 3345.011 of the Revised Code, shall work collaboratively with the institution's faculty senate, or equivalent body, to consider adopting a formally recognized textbook auto-adoption policy.

(C) Not later than August 15, 2022, the board of trustees of each state institution of higher education shall adopt a resolution or otherwise formally vote to affirm or decline adoption of the policy. If the board of trustees adopts the policy as agreed upon by the administration and faculty senate, the state institution shall formally transmit a copy of its resolution to the Chancellor of Higher Education.

1. Has your institution's board of trustees adopted a textbook selection policy consistent with Ohio Revised Code 3345.025? If so, please attach the policy in full length.

The Columbus State Board of Trustees adopted revised language in College Policy 9-05 to address textbook selections. Please see Appendix B: Columbus State Community College – AY22 – Textbook Selection Policy. Procedure 9-05 (B) is still under review and outlines criteria that must be considered for textbook selections. The criteria for this revised procedure are outlined in the response to Question 5c1.

2. Has your institution's board of trustees adopted a textbook auto-adoption policy to ensure compliance with federal law that requires faculty to select textbooks for courses no later than the first day of class registration? If so, please attach the policy. Please also describe the mechanisms for tracking compliance.

Columbus State Policy 9-05 and Procedure 9-05 (B), the latter of which is still under review, details the measures taken by the Columbus State Bookstore and academic departments to assure compliance with federal requirements. Please see Appendix B: Columbus State Community College – AY22 – Textbook Selection Policy. Tracking compliance will be led by the Bookstore through adoption forms described in Procedure 9-05 (B).

3. If the board has not adopted an auto adoption policy, please explain the major reasons that the board declined to adopt such a policy.

Columbus State has not implemented an auto-adoption textbook policy, but faculty did consider it as required in HB 110. Columbus State Policy 9-05 and Procedure 9-05 (B) were revised to align with current practices that were already aligned with both State and federal requirements.

c) Open Educational Resources

1. Has your institution adopted practices/policies to formally encourage the use of OER materials in lieu of purchased materials? Please explain and please include links to information on your institution's website.

Procedure 9-05 (B), which is still under review, indicates that, "Faculty are responsible for selecting quality textbooks and instructional materials that are necessary for students to meet each course's learning objectives. The following criteria shall be considered when selecting textbooks and instructional materials for courses: (a) Affordability (b) Student success outcomes related to the content

contained in the textbooks and instructional materials as well as the platforms on which the textbooks and instructional materials are provided; and (c) Accessibility of textbooks and instructional materials.” OERs align to all these criteria.

2. Has your institution provided support to faculty for the development of OER materials. Please explain and please include links to information on your institution’s website.

The OER Faculty Fellows developed a white paper that shared the history of development and impact of OERs on student success. Additionally, a video was created that documents what OERs are and their purpose; how faculty and instructional designers develop them; how faculty use them; how librarians support the process; and the impact on student persistence, affordability, and student success. Further, the College's first Z-Degree was highlighted. This work supports the College’s equity-minded agenda and ongoing focus on student success. The overview of the College’s OER work and a link to the video can be found on this webpage: [Progress | Columbus State Community College \(csc.edu\)](https://www.csc.edu/progress).

3. What courses did your institution offer during the 2021-22 academic year that used OER? Please fill out the attached template completely. This template will be used to inform a statewide landscape analysis of OER adoption and will be publicly shared in a report.

In FY22, open educational resources (OER) participation included 34 courses with 10,817 students (duplicated count) in the Autumn 2021 term, and 33 courses with 8,272 students (duplicated count) in the Spring 2022 term. For further details see Appendix C: Columbus State Community College – AY22 – IA and OER.

d) Inclusive Access

Inclusive access is defined as an arrangement between an institution, through faculty, and students to offer college textbooks and materials as “included” within tuition and/or a fee assessment, rather than purchased individually by the student. The benefit to faculty and students of inclusive access typically includes a significantly reduced cost per textbook for students, as compared to students buying a new copy of the textbook, and confidence that all students will possess the necessary textbook and/or materials on “day one.” Federal law provides the statutory right for students to “opt-out” of inclusive access if they prefer, which preserves the right of the student to source materials.

1. Does your institution formally encourage faculty to offer inclusive access acquisition of college textbooks as a cost-savings for students? If yes, what mechanisms are in place help promote this strategy with faculty?

Access to affordable course materials continues to remain a priority at Columbus State. The Bookstore along with a cross-functional group of faculty, staff, and administration work together as a part of the Textbook Affordability Advisory Committee (TAAC) to advocate for all effective cost-saving methods, including inclusive access. The committee presents at large events such as campus in-service and FIX (Faculty Idea Exchange) to promote textbook affordability options, especially inclusive access. The Bookstore takes a very active role in the adoption process, communicating with all academic areas and sharing the benefits and opportunities for the

use of inclusive access, which has resulted in a robust program spanning over 100 courses, and still growing, and providing exponential savings to students on their textbook costs.

2. What courses did your institution offer during the 2021-22 academic year that participated in an inclusive access program? Please fill out the attached template completely. This template will be used to inform a statewide landscape analysis of the utilization of inclusive access and will be publicly shared in a report.

In FY22, inclusive access (IA) participation included 11,235 students (duplicated count) in 90 courses during the Autumn 2021 term, and 10,710 students (duplicated count) in 96 courses during the Spring 2022 term. For further details see Appendix C: Columbus State Community College – AY22 – IA and OER.

3. How are students at your institution made aware of their right to opt out of utilizing inclusive access?

Each student enrolled in a course utilizing inclusive access materials receives an email explaining the inclusive access platform and usage, which includes the actions required to opt out of this program. Deadlines, instructions, and contact information for the inclusive access administrator are included in these communications.

- e) Please provide contact information for the person completing this section of the Efficiency Report, so that we may follow up if we have questions.

Phil Sanders, Director (Interim) Bookstore psanders@csc.edu

- f) Other Textbook Affordability Practices

What other practices, if any, does your institution utilize to improve college textbook affordability?

Work performed in FY22 has resulted in savings to students of \$3,230,943.91 including \$235K in shipping savings. Since FY13 CSCC affordability efforts have saved students nearly \$20M (19,985,107.92).

Please provide any relevant information in the table below.

Initiative	Explanation of Initiative	Cost Savings to Students
Apple Pilot Program	Using iBooks in place of textbooks.	No data for FY22
College Credit Plus	10% discount on all College Credit Plus (CCP) textbooks. Required course supplies are paid by the College.	\$80,109
eBook/Access Codes	Using codes instead of physical textbooks.	\$204,115
Eliminated Textbooks	Courses that did not use textbooks.	\$112,041 (Only books eliminated during FY22)

Instant Access (Inclusive Access)	Physical course materials converted into instantly accessible, interactive, and adaptive digital content.	\$1,782,949
OER Initiative	Usage of OER as primary required text.	\$750,639
Reduced Textbook Adoptions	Negotiated lower costs/adoption of cheaper textbooks.	Data not yet available
Used Textbook Savings	Purchasing used textbooks in place of new textbooks.	\$65,790
Free Shipping provided due to COVID-19	CSCC provided free shipping for all online orders through March 31, 2022.	\$235,562

Section III: Policy Reforms

6. Transcript Access

It is common for IHEs nationally to withhold transcripts from students who owe any amount of debt to the institution. Transcript withholding blocks students from re-enrolling both at the debt-holding institution and at other institutions. Transcripts are sometimes withheld in their entirety even when students have fully paid all or most tuition charges, earned their credits through successful completion of coursework and only incurred a nominal debt such as a parking ticket, library fine or other relatively minor assessment.

ORC Section 3345.027 was newly enacted in HB 110 and requires IHE's to release transcripts to potential employers even if the student has an outstanding balance owed to the institution.

Sec. 3345.027. A state institution of higher education, as defined in section 3345.011 of the Revised Code, shall not withhold a student's official transcripts from a potential employer because the student owes money to the institution, provided the student has authorized the transcripts to be sent to the employer and the employer affirms to the institution that the transcripts are a prerequisite of employment.

- a) Has your institution updated its policy on transcript withholding to assure compliance with ORC 3345.027?

Transcripts are released to an employer when it is a condition of employment.

- b. Has your institution taken additional action(s) beyond what is minimally required by section 3345.027 to provide students with access to their transcripts, even if the student owes money to the institution? If so, please describe.

No additional action has been taken at this time.

7. Second Chance Grants

ORC Section 3333.127 was newly enacted in Sub. SB 135 to create the Second Chance Grant program. The program will provide one-time grants of up to \$2,000 to eligible students that “while in good standing, disenrolled from a qualifying institution and did not transfer to a qualifying institution or an institution of higher education in another state in the two semesters immediately following the student’s disenrollment.”

1. Has your institution implemented the “Second Chance Grants” program as described in SB 135? If so, what is the status of the program and approximately how many students have been impacted to date at your institution?

Implementation plans began during AU21 with the intent to start students with the Second Chance Grant beginning SP22. Funding for the program is on a first come first served basis and as funding remains available through ODHE, the College is still pursuing this initiative. The first attempt in 2021 did not yield any participants for this grant opportunity. Feedback from students included: continued fear of the pandemic, focusing on family, and work conflicts.

2. What efforts has your institution made to identify and attract such students that will be able to take advantage of this new initiative?

The following are the steps taken to identify and attract students:

- a. Collaborated with sister community colleges to identify best practices.
- b. Pulled queries to identify potential students who may pre-qualify for the grant based on the outlined criteria. The list contained 470 students.
- c. Created a CSCC Second Chance Application.
- d. Created an email dedicated to Second Chance to easily enable students to recognize the opportunity.
- e. Sent notifications to students who were identified as ‘Pre-Qualified’ regarding the potential to receive a \$2,000 grant to complete their degree.
- f. Identified next steps for students if they responded to the email communications.

8. Additional Practices

Some IHE’s may implement practices that make college more affordable and efficient, but which have not been the topic of a specific question in this reporting template. This section invites your institution to share any positive practices you have implemented that benefit student affordability and/or institutional efficiency.

Please share any additional best practices your institution is implementing or has implemented.

Facilities Management:

LED Upgrades

Facilities Management continues to invest in energy efficient initiatives with LED upgrades. In FY22, the LED upgrades continued in the Delaware Hall men's and women's locker rooms and in the anatomy labs in Union Hall. These upgrades realized savings of over 7,900 watts and approximately \$2,720 annually.

Building Systems Improvements

Facilities inspected the following building systems and made proactive repairs that will avoid more costly reactive repairs.

- Valve Assessment – All valves on campus were assessed for corrosion and wear, and repairs/replacements were made as needed. This evaluation will help avoid valve failure and costly flood damage.
- Fire dampers – Facilities evaluated for inoperable or blocked fire dampers on campus. The proper functioning of these dampers is critical to preventing the spread of smoke and fire in emergency situations.
- Roof preventive maintenance – All roofs were placed on a preventive maintenance program which will help provide early identification of roof problems and identified small repairs will prevent larger more costly repairs.

Solid Waste

In FY22, Facilities evaluated scheduled pick-ups of the compactors on campus and was able to lower the number of pick-ups depending on usage. This on-demand process has saved \$125 for each pick-up that was removed from the schedule.

Recycling Grant

In FY22, Facilities made a strong commitment to expanding and strengthening campus recycling efforts. To demonstrate that commitment and assist in efforts, Facilities Management applied for the 2022 Ohio EPA Recycling and Litter Prevention Program Grant. This is a highly competitive grant program that provides an opportunity for organizations to establish or expand recycling efforts at their institutions. The College was awarded a \$100,000 grant. The recycling work started preceding the grant and over \$5,373 has been generated in FY22 from campus recycling, including cardboard, aluminum, tin, brass, iron, and insulated copper wire. The College's recycling efforts are planned to continue and grow as more recycling containers are placed in buildings and on campus grounds, and as a communication plan to excite and inspire our campus community is being initiated.

Sustainable New Practices

- Carpet squares - Facilities sorted and organized leftover carpet squares from previous projects. This allowed for a clear view of what was available. The carpet remnants were used to carpet multiple offices and small spaces across campus.
- Office Supplies - As staff/department moves increase on campus, so does waste. As items are packed, a great deal of office supplies end up in the regular trash. Facilities sorted through these discarded items and saved office supplies that are able to be used by others on campus.
- Gas to electric tools - Facilities recently switched yard equipment from gas to electric power. This change not only saves fuel but also reduces the hydrocarbon emissions released into the air from the less efficient gas-powered versions.

Cost Savings New Practices

- Batteries - Recycling efforts also extend to the recycling of hundreds of alkaline batteries. A stockpile of batteries was able to be delivered to a no-cost recycling center during a preplanned trip out of Central Ohio.
- Uniform turn-in - Employees were asked to do an inventory of their uniforms and to turn in unneeded uniforms. This one exercise provides \$35/week in cost savings on uniform rentals.
- Bulb crusher - In FY22, the department began crushing fluorescent tubes with a bulb crusher, reducing the need for storage of used lamps, which is required in the process of disposing. This process has also saved approximately 20 hours of labor per 1,000 lamps by crushing rather than boxing; and by pre-crushing these bulbs, approximately 35 cents per bulb is saved in lamp recycling costs.

Asset Disposal:

GovDeals

The College participates in the online government auction site, GovDeals, to efficiently, both environmentally and economically, dispose of no longer needed facility and technology assets, receive their salvage value, and reduce refuse volume and costs. In FY22, \$73,817 in revenue was generated.

Business Services:

Ohio Association of Community Colleges insurance savings

OACC estimates that the College's FY22 savings versus standalone property and casualty insurance was \$339,029, which is \$30,376 more in savings than FY21.

P-Cards

The use of P-Cards continues to yield savings; an estimated \$260,842 in time and effort was saved in FY22 from no longer having to create, print, and mail purchase orders or manual checks, which is \$142,625 more than FY21. Additionally, a \$17,288 rebate was received.

Group Purchasing

Columbus State makes extensive use of group purchasing contracts, which includes participation in: Education and Institutional Cooperative (E&I), Inter-University Council Purchasing Group (IUC-PG), Ohio Association of Community Colleges (OACC), the State of Ohio, US Communities, and others. Savings through the use of IUC-PG were \$453,644.

In-House Printing

The following savings were attained in FY22 through in-house printing:

Item	Savings
1098-T forms	\$11,560
Business cards	\$2,504
Envelopes	\$228

Section IV: Future Goals

The DeWine-Husted administration recognizes that each IHE faces unique challenges and opportunities with respect to the institution’s highest priority goals over the next several years. With that in mind, please provide any suggestions about possible roles the state could play in supporting your institutional goals.

9. Please provide your thoughts and suggestions regarding ways the State of Ohio can further support strength, resiliency and reputational excellence in Ohio’s post-secondary education system.

During the pandemic, the role of community colleges has become increasingly critical to the ability of employers to meet their changing workforce needs. The pandemic has resulted in the lack of readily available talent, and staffing shortages are endangering the continued health of company operations both large and small. Employers need the availability of more short-term pathways, increased equitable-focused strategies, more support and training of workers in the early stages of their careers, and opportunities for incumbent workers to continually upskill throughout their career – all of which are core to the mission of community colleges. Community colleges must find new ways to meet students where they are in an interrupted or delayed education journey with deeper supports that better address or remove the non-academic barriers in a student’s life. Also, many students and their parents do not have the ability to take on new debt so educational pathways and supports must be affordable to them.

ODHE can better position community colleges to meet these employer needs and connect with and support students and parents by promoting and advancing equitable student policies as well as providing targeted funding allocations that are especially important to community colleges:

- Policies that help to improve equity include:
 - Continued support of policies that enhance affordable 3+1 and 2+2 pathways; and
 - Supporting and protecting legislative policies that give underserved students access to the College Credit Plus Program (CCP) and continued removal of existing legislative barriers in the Administrative Code and Ohio Revised Code that hinder

underserved populations from participating in CCP. This program is a pillar to creating equitable access, speeding up the talent pipeline for businesses, and reducing overall student/parent debt.

- Targeted funding needs, particularly for community colleges without a levy, include:
 - Continued funding for short-term certificates that align to in-demand jobs, including the administrative dollars to develop curriculum for employers and ongoing instructional and administrative support;
 - New strategies for funding non-credit on-ramps for unemployed or under-employed individuals that lead to postsecondary pathways and continued career growth or to meet the region's workforce demands;
 - Incentives for earn and learn, pre-apprenticeships, apprenticeships and other similar models;
 - More flexibility in the setting of tuition rates;
 - Increased funding strategies for non-academic barriers of students who attend community colleges (i.e., transportation, food insecurity, childcare, healthcare);
 - Support for high-cost capital equipment in rapidly-changing industries like healthcare, construction management, and modern manufacturing;
 - A state pool of funds or resources to assist colleges with securing curriculum upgrades that keep pace with the changing technology within industries;
 - Funding and/or mechanisms that give education institutions the ability to secure individuals to teach in healthcare courses and in clinical scenarios. It is increasingly challenging for colleges to offer market rate salaries and keep pace with the current competitive wage climate for these roles. Such staffing shortages at colleges will not only impact care, but they will also impact the ability of education institutions to keep up with the replacement pipeline. Innovation in this space is becoming imperative; and
 - Funding for upgrades or the replacement of ERP systems. As ERP systems are increasingly subscription-based, the ability to use State capital dollars is not possible. Such systems are critical to a college's ability to collect data that can assist in identifying, tracking, and targeting equity issues and applied solutions for students; to provide students a successful and stress-free experience with the college; and is foundation to implementing efficient operational practices.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY & PROCEDURES MANUAL

BOOKSTORE & TEXTBOOK ADOPTION

Effective September 22, 2022

Policy 9-05

Page 1 of 1

- (A) The College bookstore shall provide for the sale of items and services including, but not limited to, text and reference books, course materials, student supplies, and other products for students and employees.
- (B) Textbook and course material requirements for each semester shall be known to students no later than the first day of student registration for the upcoming semester.
- (C) Faculty are responsible for selecting course textbooks and other instructional materials.
- (D) The President may establish procedure(s) to administer this policy.

DEFINITION OF INCLUSIVE ACCESS

Inclusive access is an arrangement between an institution, through faculty, and students to offer college textbooks and materials as “included” within tuition and/or a fee assessment, rather than purchased individually by the student.

TERM (Fall 2021 or Spring 2022)	COURSE ID	SECTION NUMBER	CCP (YES OR NO)	NUMBER OF STUDENTS ENROLLED*	ESTIMATED SAVINGS

Fiscal Year 2022 - Inclusive Access

21,945 \$ 1,452,653

*The student counts represent HEI operational estimates and are provided for autumn and spring terms only.

DEFINITION OF OER*

The term "open educational resource" means a teaching, learning, or research resource offered freely to users in at least one form and either resides in the public domain or has been released under an open copyright license that allows for its free use, reuse, modification, and sharing with attribution.

What is an example of an OER course? *

An OER course is completely free because it uses openly licensed resources. To receive this designation, the course must use openly licensed materials for all required curricular resources, including textbooks and other instructional materials, such as workbooks, lab manuals, and online homework platforms.

An example of an OER course would be one where the instructor provides a link to a free, online version of an openly licensed textbook. The course does not use any other required curricular resources. The professor can recommend students purchase a print- on-demand version, but as long as the instructor does not require the students to use the print version, the cost of printing does not disqualify this course from receiving the OER designation.

What is included/excluded when calculating course material costs? *

Included in the cost: textbooks and other instructional/curricular materials, such as workbooks, lab manuals, online homework platforms and codes, or publisher-provided materials for students.

Also included are any course fees for course materials, such as a textbook rental fee, inclusive access fee, Barnes & Noble College Booksellers' First Day fee, or Follett's ACCESS fee.

Excluded from the cost: supplies and equipment, including art supplies, lab tools, and calculators. Also excluded are course fees that are a lab fee, technology fee, or testing fee.

The average return on investment (\$116) is derived from the recent MHEC study on benefits and costs of OER.

COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

DATE: _____

SUBJECT:

Property Acquisition – 209-211, 215, 217, and 225-231 Cleveland Ave and 212 N. Grant Ave, Columbus, Ohio 43215, and known as tax parcels IDs #010-027710, 010-045858, 010-047546, 010-044177, and 010-015083

BACKGROUND INFORMATION:

In September of 2019, the Board approved the College's \$441M capital plan: Making Central Ohio Stronger Educational Facilities and Technology Plan. This plan became the framework for Issue 21, a \$300M bond issue approved by Franklin County voters in April 2020. As part of the implementation of the first phase of the capital plan, a property acquisition has been identified that will serve to provide necessary swing space for academic programs, operational departments, and storage.

The College was informed by the owners of their desire to sell these properties in the spring 2022. The properties include three warehouse buildings with parking for a total acreage of 0.79 acres. Phase I and Phase II environmental assessments have been conducted, which revealed no substantial concerns. Columbus State has also conducted two space planning walk-throughs that resulted in initial plans to use the facilities, for 1) the College's Grounds personnel as well as storage, both of which will have to be moved from their current location at 278 E. Spring St. once construction begins there for the new Automotive Center; and 2) short-term space for the College's Fire Science program, including storage of its fire trucks as well as office, classroom, and lab space until a new public safety center is complete. The timing for the property's use for Fire Science is contingent on an existing lease of the 212 N. Grant Ave building. The current tenant has agreed to use good faith efforts to leave prior to the lease end date of October 2024. The College has agreed to a purchase price of \$2,750,000, which was informed by two appraisals of the property.

Provided all contingencies are met, including approval of the purchase by the Controlling Board in December, the College will use proceeds from the Series 2020 Facilities Construction and Improvement bonds to purchase the property.

RECOMMENDATION:

That the Board of Trustees approve the purchase of property at 209-211, 215, 217, 225- 231 Cleveland Ave, and 212 N. Grant Ave in Columbus, Ohio, authorize the President to execute the final purchase pending Controlling Board approval, and authorize the release of \$2,750,000 from bond proceeds for this purchase.

Approval of the property acquisition at 209-211, 215, 217, and 225-231 Cleveland Ave. and 212 N. Grant Ave. in Columbus, Ohio.

Passed: November 17, 2022

Board of Trustees
Columbus State Community College
Franklin County, Ohio

Attest: _____
Secretary

Board Chair

CERTIFICATE

The undersigned Secretary of the Columbus State Community College, Franklin County, Ohio hereby certifies that the foregoing is a true copy of an action approved by the Board of Trustees of said College on November 17, 2022.

Secretary, Board of Trustees
Columbus State Community College
Franklin County, Ohio

COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

DATE: _____

SUBJECT:

Construction Contract Approvals: External Emergency Speaker Replacement.

BACKGROUND INFORMATION:

State law requires the Board of Trustees to authorize the award of construction contracts for any project that exceeds \$200,000.

This project will replace the emergency speakers across the Columbus Campus. The existing speakers and equipment are ten years past the established life cycle and this project will replace them with new speakers and equipment that are compatible with the new emergency messaging system.

The Architect/Engineering (AE) design services contract for this project is \$78,820 with a total project budget estimated to be \$1,000,000, funded with a combination of Series 2020 Bond proceeds, State Capital funds, and potential grant funds. In addition to the AE contract, we are also requesting a 10% design contingency to address unforeseen issues during the design process, which is within the overall project estimate. The final construction costs will be identified during the design and bidding phase, which is anticipated to be complete by summer 2023. Using the statutorily required qualification-based AE Design selection process, the AE firm selected for this project is IMEG Corp. With the approval of this contract, the design is anticipated to commence in late fall 2022 and be completed in summer 2023. Bidding and construction will commence thereafter.

RECOMMENDATION:

That the Board of Trustees authorize the College to contract with the selected firm and to set aside the following contingency:

Project	Company	Amount
External Emergency Speaker Replacement (CTI-220086)	IMEG Corp.	\$78,820
Design Contingency (10%)	Columbus State	\$7,900

COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

DATE: _____

SUBJECT:

Construction Contract Approvals: Moeller Hall Geology Lab.

BACKGROUND INFORMATION:

State law requires the Board of Trustees to authorize the award of construction contracts for any project that exceeds \$200,000.

This project will renovate and repurpose an existing, underutilized fitness center at Moeller Hall into a geology lab. This new lab will expand the number of science classes offered at the Delaware campus in addition to increasing opportunities for students seeking science degrees.

Using a competitive bid process, the General Contracting firm with the lowest responsible bid was Ferguson Construction, with a bid of \$121,314. In addition to the construction contract, we are requesting a 10% construction contingency. This construction contingency, combined with the previously approved design contract, design contingency, and IT equipment, brings the total project budget to \$368,000. This project will be funded entirely with State Capital funds.

With the approval of these contracts, construction is anticipated to commence in late fall 2022 and be completed by spring 2023.

RECOMMENDATION:

That the Board of Trustees authorize the College to contract with the selected firm and to set aside the following contingency:

Project	Company	Amount
MO Geology Lab (CTI-220056)	Ferguson Construction	\$121,314
Design Contingency (10%)	Columbus State	\$12,500

COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

DATE: _____

SUBJECT:

Construction Contract Approvals: Center for Technology and Learning Lab Upgrades.

BACKGROUND INFORMATION:

State law requires the Board of Trustees to authorize the award of construction contracts for any project that exceeds \$200,000.

This project will upgrade two teaching labs in the Center for Technology and Learning building. The renovation will include additional fume hoods, mechanical, electrical, and plumbing (MEP) updates to support the fume hoods and lighting, and upgraded casework.

Using a competitive bid process, the General Contracting firm with the lowest responsible bid was Ferguson Construction, with a bid of \$643,630. In addition to the construction contract, we are requesting a 10% construction contingency. This construction contingency, combined with the previously approved design contract, design contingency, and pre-ordered lab furnishings and IT equipment, brings the total project budget to \$1,216,000. This project will be funded entirely with State Capital funds.

With the approval of these contracts, construction is anticipated to commence in late fall 2022 and be completed in spring 2023.

RECOMMENDATION:

That the Board of Trustees authorize the College to contract with the selected firm and to set aside the following contingency:

Project	Company	Amount
TL Lab Upgrades (CTI-210016)	Ferguson Construction	\$643,630
Construction Contingency (10%)	Columbus State	\$65,000

Columbus State Community College Board Action Sheet

DATE: _____

SUBJECT

Revisions to Employment Policy 3-02.

BACKGROUND INFORMATION

The College periodically conducts a review of Chapter 3 Policies and Procedures to ensure compliance with state and federal law and ongoing alignment with institutional objectives. The implementation of *Workday*, the College's new Enterprise Resource Planning System, and the need to modernize the College's human resource administration processes, necessitate the following revisions to current Policy 3-02:

- Specify the President may approve guidelines for all positions developed by the College's Human Resources Department.
- Specify that approved guidelines will be maintained in the Human Resources Information System.

RECOMMENDATION

That the Board of Trustees accepts the revisions to **Policy 3-02, Employment**, as presented, with an effective date of November 17, 2022, and the President may establish procedures to align with the policy.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY & PROCEDURES MANUAL

EMPLOYMENT
Policy No. 3-02
Page 1 of 1

Effective September 22, 2016

- (A) (A) Columbus State Community College actively seeks to cultivate a globally diverse and multicultural environment that promotes equal opportunities to all ~~applicant~~ CANDIDATEs and employees. This is most often achieved through a competitive recruitment and employment process that provides qualified and diverse ~~applicant~~ CANDIDATEs. To that end, Columbus State will undertake proactive recruitment efforts to reach diverse audiences, ensure fair recruitment and selection practices consistent with the equal employment opportunity act and establish programs to retain and advance underrepresented groups.
- ~~(B) The President will establish procedures for the employment of full-time faculty and administrators.~~
- ~~(C) The President will establish procedures for the employment of full-time staff.~~
- ~~(D) The President will establish procedures for the employment of part-time staff.~~
- ~~(E) The President will establish procedures for the employment of adjunct instructors.~~
- ~~(F) The President will establish procedures for the employment of part-time College work-study students.~~
- ~~(G) (B) The final determination of all hiring decisions rests with the President.~~
- ~~(H) (C) The President will establish procedures for the salary placement of staff and managerial new hires.~~
- (I) (D) The President ~~will~~ MAY establish procedures for the establishment of the definition of hard-to-recruit positions for staff and managerial new hires.
- (E) THE PRESIDENT MAY APPROVE GUIDELINES FOR HIRING FULL- AND PART-TIME EXECUTIVE, MANAGERIAL, STAFF, ADJUNCT AND NON-CREDIT INSTRUCTOR POSITIONS; JOB DESCRIPTIONS; AND EMPLOYEE COMPENSATION. THE GUIDELINES SHALL BE DEVELOPED BY THE COLLEGE'S HUMAN RESOURCES DEPARTMENT AND MAINTAINED IN THE HUMAN RESOURCE INFORMATION SYSTEM.

DATE: _____

SUBJECT

Revisions to Payroll Policy 3-07.

BACKGROUND INFORMATION

The College periodically conducts a review of Chapter 3 Policies and Procedures to ensure compliance with state and federal law and ongoing alignment with institutional objectives. The implementation of *Workday*, the College's new Enterprise Resource Planning System, and the need to modernize the College's human resource administration processes, necessitate the following revisions to current Policy 3-07:

- Specify employees will be paid every other Friday.
- Specify that all employees will use direct deposit, except where prohibited by law.
- Specify the Senior Vice President of Business Service or their designee is authorized to make payroll deductions required by law or approved by the Board of Trustees.

RECOMMENDATION

That the Board of Trustees accepts the revisions to **Policy 3-07, Payroll**, as presented, with an effective date that coincides with the College's implementation of the Workday Enterprise Resource Planning System, and the President may establish procedures to align with the policy.

- (C) The SENIOR Vice President ~~for the Human Resources Department~~ OF BUSINESS SERVICES OR THEIR DESIGNEE is authorized to make payroll deductions required by law or approved by the Board of Trustees.
- (D) The President ~~shall~~ MAY establish procedures to administer this policy.

Replaces Policy 9-04 (Effective October 15, 1985). Moved to Chapter 3 in the CSCC Policy and Procedures Manual.

Columbus State Community College Board Action Sheet

DATE: _____

SUBJECT

Revisions to Sick Leave Policy 3-10.

BACKGROUND INFORMATION

The College periodically conducts a review of Chapter 3 Policies and Procedures to ensure compliance with state and federal law and ongoing alignment with institutional objectives. The implementation of *Workday*, the College's new Enterprise Resource Planning System, and the need to modernize the College's human resource administration processes, necessitate the following revisions to current Policy 3-10:

- Specify part-time eligibility for earning sick time.
- Specify that a full-time employee shall not earn additional sick time for secondary part-time employment.
- Specify part-time eligibility for bereavement leave.

RECOMMENDATION

That the Board of Trustees accepts the revisions to **Policy 3-10, Sick Leave**, as presented, with an effective date of November 17, 2022, and the President may establish procedures to align with the policy.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURE MANUAL

SICK LEAVE
Policy 3-10
Page 1 of 2

Effective ~~November 20, 2014~~

- (A) The eCollege recognizes that employees may need to take sick leave. Paid sick leave maybe used only for personal illness, healthcare appointments (including medical, dental, vision, and/or mental health), adoption, injury, pregnancy, exposure to a contagious disease which could be communicated to others, or for bereavement, illness, or injury to a member of the employee's immediate family, other persons residing in the home of the employee, or a domestic partner.

[See also: benefits available under the College's Family and Medical Leave Policy 3-36.]

- (B) Full-time employees who work a 100 percent schedule are credited with time for sick leave at a rate of FIFTEEN (15) DAYS/120 HOURS ~~10.0 hours~~ per calendar ~~month~~-YEAR of completed service. Other full-time employees working reduced work schedules shall have their time for sick leave credited and deducted at a rate in proportion to their appointment.
- (C) Full-time faculty will be credited at a rate of fifteen (15) days per academic year (autumn and spring semesters). Full-time faculty may accrue sick leave without limit. Annually contracted faculty (ACF's) will accrue at a rate of twelve (12) sick days per academic year (autumn and spring semesters). No sick leave is accrued during summer semester.
- (D) Adjunct instructors are credited with time for sick leave at a rate equal to the total number of contact hours for that semester multiplied by 1.0, with a maximum accrual of
10. Adjunct instructors may not carry over sick leave.
- (E) REGULAR AND CASUAL PART-TIME EMPLOYEES EARN SICK LEAVE AT A PRORATED AMOUNT OF WHAT A FULL-TIME EMPLOYEE EARNS BASED ON THE NUMBER OF HOURS THE PART-TIME EMPLOYEE WORKS EACH PAY PERIOD. FULL-TIME EMPLOYEES SHALL NOT EARN ADDITIONAL SICK LEAVE FOR SECONDARY, PART-TIME, NON-ADJUNCT EMPLOYMENT AT THE COLLEGE.
- (F) Sick leave accumulated by an employee while previously employed by another public agency is transferable in accordance with the provisions of the Ohio Revised Code, Chapter 124, and related regulations. The leave is coded as transferred sick leave.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURE MANUAL

SICK LEAVE
Policy No. 3-10
Page 2 of 2

Effective November 20, 2014

- (G) College employees who at the time of their disability or service retirement have ten or more years of service with the college or any agency of the state or any of its political subdivisions may convert only their accrued but unused time for sick leave with Columbus State Community College to monetary compensation. Sick leave balances transferred from another public agency employer shall not be paid out upon separation.

Unless otherwise addressed by the terms of an applicable collective bargaining agreement, employees who participate in a state retirement system or an alternative retirement program and who retire from the College may convert one-fourth of their accumulated sick leave earned as an employee of the College to a maximum of forty-five (45) days to a cash payment at the time of retirement. The conversion rate will be based upon the employee's rate of compensation at the time of retirement. Converting sick leave to a cash payment will reduce the employee's sick leave balance to zero (0), regardless of the number of hours accumulated from employment by the college or another employer.

(H) **Bereavement Leave**

Full-time employees may use up to five (5) paid sick leave days for the death of an immediate family member, other persons residing in the home of the employee, or a domestic partner. PART-TIME EMPLOYEES MAY USE UP TO THREE (3) PAID SICK LEAVE DAYS FOR THE DEATH OF AN IMMEDIATE FAMILY MEMBER, OTHER PERSONS RESIDING IN THE HOME OF THE EMPLOYEE, OR A DOMESTIC PARTNER. To use sick leave for the death, illness, or injury of a domestic partner, a completed and notarized Affidavit of Domestic Partnership form must be on file with the Human Resources Department.

Immediate family for the purpose of this policy includes: parent, sibling, grandparent, child, spouse, parents-in-law, children-in-law, sibling-in-law, grandchild, stepparents, stepchildren, a legal guardian or other person who stands in the place of a parent, other persons residing in the home of the employee, or a domestic partner.

- (I) The President ~~will~~ MAY establish procedures to administer this policy.

Last Effective Dates: February 1, 2012; December 1, 2008; June 1, 2004
Approved by the Board of Trustees: November 20, 2014

SUBJECT

Revisions to Family and Medical Leave Policy 3-36.

BACKGROUND INFORMATION

The College periodically conducts a review of Chapter 3 Policies and Procedures to ensure compliance with state and federal law and ongoing alignment with institutional objectives. The implementation of *Workday*, the College's new Enterprise Resource Planning System, and the need to modernize the College's human resource administration processes, necessitate the following revisions to current Policy 3-36:

- Specify eligibility for CSCC employees who meet the following criteria:
 - one (1) year of service
 - 1250 hours during a twelve (12) month period

RECOMMENDATION

That the Board of Trustees accepts the revisions to **Policy 3-36, Family and Medical Leave**, as presented, with an effective date of November 17, 2022, and the President may establish procedures to align with the policy.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

FAMILY AND MEDICAL LEAVE

Effective ~~September 25, 2014~~

Policy 3-36

Page 1 of 2

- (A) The ~~e~~College supports a work environment that offers solutions to the complex issues individuals face in balancing their work and family commitments. In accordance with federal law, Family and Medical Leave (FML) is a benefit available to eligible faculty and staff members. The Family and Medical Leave Act assures that, if leave is taken in accordance with these policies and procedures, eligible faculty and staff can take twelve weeks of leave during a given twelve-month period and, with limited exceptions described below, be entitled to reinstatement to the same or an equivalent position at the conclusion of this leave. Employees without twelve weeks of accumulated paid leave available to them (sick, vacation, personal) may take FML as unpaid leave with the same reinstatement assurance.
- (B) ~~ANY~~ An employee who has been employed by the ~~e~~College for at least one (1) year and has worked for 1,250 hours during the twelve (12) months preceding the start of Family and Medical Leave is eligible for FML. ~~An eligible part-time employee is entitled to FML on a prorated basis.~~
- (C) Employees seeking to use FML are required to provide at least a 30-day advance notice of the need to take the leave when the need is foreseeable and such notice is possible. When the need for leave is not foreseeable, the employee must provide notice as soon as possible under the facts and circumstance of the particular case.
- (D) ~~If you are~~ AN EMPLOYEE IS absent for the following reasons, the absence may qualify as FML:
- (1) Birth of and care for a child during the first year following birth.
 - (2) Care for the employee's child after placement for adoption or foster care.
 - (3) A serious health condition that makes the employee unable to perform ~~his or her~~ THEIR job. This includes incapacity due to pregnancy and prenatal medical care.

Under FML, a "serious health condition" is defined as an illness, injury, impairment or physical or mental condition that involves:

- (a) Inpatient care in a hospital, hospice or residential care facility; or
 - (b) Continuing treatment by a health care provider.
- (4) To care for the employee's immediate family member who has a serious health condition.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

FAMILY AND MEDICAL LEAVE

Effective ~~September 25, 2014~~

Policy 3-36

Page 2 of 2

- (5) Military family leave entitlements
 - (a) for qualifying exigencies arising out of the active duty or call to active duty of an employee's spouse, son, daughter or parent; or
 - (b) twenty-six work weeks of leave during a single 12-month period to care for a covered service member with a serious injury or illness.

- (E) The President ~~will~~ MAY establish procedures to administer this policy.

SUBJECT

Revisions to Promotion and Tenure Policy 5-19.

BACKGROUND INFORMATION

Promotion and Tenure Policy 5-19 was last updated in August 2015. Promotion and Tenure Policy 5-19 is being revised to align language with the CSEA collective bargaining agreement and with the current organizational structure of the college.

RECOMMENDATION

That the Board of Trustees adopt revised Policy 5-19, as presented, with an effective date of November 17, 2022.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

PROMOTION AND TENURE

Effective August 31, 2015

Policy 5-19

Page 1 of 4

- (A) The purpose of promotion and tenure is to ensure academic excellence, reward service and contributions, and retain the College's most valued faculty. Tenure assures faculty members continued employment with dismissal only for just cause or a reduction in the number of faculty required to deliver the College's academic programs.
- (B) The College employs a four-tier faculty ranking system of Instructor, Assistant Professor, Associate Professor, and Professor. Tenure is conferred with the candidate's first promotion, usually to the rank of Assistant Professor, although this may differ based on initial placement in rank upon hiring.
- (C) At time of hire, faculty are assigned the rank of Instructor. Under unusual circumstances, a faculty member may be appointed outside the rank of Instructor with the approval of the President and in accordance with ~~Section 38.03~~ **ARTICLE 38** of the ~~Collective Bargaining Agreement between the College and CSEA~~ **BARGAINING AGREEMENT** and in accordance with Procedure 5-19 (D).
- (D) Tenure is granted after the completion of an appropriate evaluation of each faculty member's work, as defined in Procedure 5-19 (D), and upon the **APPROVAL OF** ~~recommendation of the President to~~ the Board of Trustees.
- (E) Full-time **TENURE-TRACK** faculty members ~~will be considered for a first promotion and~~ **ARE ELIGIBLE TO RECEIVE** tenure after seven semesters of qualifying full-time **TENURE-TRACK** service as defined below:
- (1) Qualifying service includes autumn and spring semesters. Summer term is not considered qualifying service although work completed during this term may be presented as evidence of academic excellence, service, and contributions.
 - (2) Faculty members who resign and later return to Columbus State Community College shall receive no years of past service credit toward tenure eligibility.
 - (3) No more than one year of service credit will be granted for employment during any one fiscal year.
 - (4) Faculty who are granted tenure and the first promotion will accrue the benefits of that rank at the beginning of the next autumn semester.
 - (5) All persons granted tenure before the acceptance of this policy shall continue to be tenured according to the rights and privileges of this policy.
- (F) **REGARDLESS OF PLACEMENT INTO RANK AT HIRING, FACULTY MEMBERS ARE REQUIRED TO APPLY FOR TENURE IN THEIR FOURTH YEAR OF FULL-TIME TENURE-TRACK EMPLOYMENT WITH THE COLLEGE.** A faculty member may petition the dean of the division for a one-time delay of one year in application for tenure due to circumstances in the third or fourth year of full-time **TENURE-TRACK** employment. Such circumstances must have a demonstrable

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

PROMOTION AND TENURE

Effective August 31, 2015

Policy 5-19

Page 2 of 4

negative impact on the faculty member's ability to perform duties required for tenure or to complete the portfolio for tenure. The petition must be submitted in writing to the Dean no later than October 1 of the fourth year.

- (G) A candidate not awarded tenure ~~and the first promotion~~ may elect to seek due process ~~of a complaint~~ through the appeal process provided for in this policy. Such action precludes the faculty member from PURSUING ~~availability of~~ other forms of due process provided by College policy.
- (H) A faculty member who is not awarded tenure will be terminated at the completion of the academic year in which tenure and the first promotion were WAS considered.
- (I) Tenure will be terminated in the following situations:
- (1) A tenured person has submitted ~~his/her~~ **THEIR** resignation.
 - (2) If a tenured faculty member has been placed on layoff due to a reduction in faculty, ~~he or she~~ **THE FACULTY MEMBER** will retain tenure if recalled for employment within two years of the layoff. If a tenured faculty member is recalled at any time and voluntarily refuses recall, tenure will be terminated at that time. If a tenured faculty member is not recalled within the two-year period, tenure will be terminated at the end of the second year. If a tenured faculty member is laid off, it is ~~his or her~~ **THE FACULTY MEMBER'S** responsibility to notify the Human Resources Department in writing of any changes in address and/or telephone number.
 - (3) For just cause, which shall include but is not limited to, the following:
 - (a) Serious violations of important College policies such as harassment, ~~sexual harassment,~~ **DISCRIMINATORY LANGUAGE OR BEHAVIOR**, sexual ~~misconduct~~ **HARASSMENT/SEXUAL VIOLENCE**, academic misconduct, and conflict of interest.
 - (b) Any behavior that presents imminent serious threat to the health, welfare, or safety of College employees, students or others in the campus community or to College property.
 - (c) Serious insubordination (i.e., willful disregard of direction by supervisor except as permitted by law).
 - (d) Unlawful possession or distribution of illicit drugs or controlled substances on campus.
 - (e) Illegally bringing or bearing firearms or other lethal weapons/devices on campus.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

PROMOTION AND TENURE

Effective August 31, 2015

Policy 5-19

Page 3 of 4

- (f) Intentional falsification of College records.
 - (g) Serious misuse or misappropriation of College equipment, materials, funds, or other resources.
 - (h) Job abandonment (i.e., no call-no show for 3 consecutive, scheduled workdays).
 - (i) Conviction of a felony that negatively impacts either the College or the ability of the faculty member to perform ~~his or her~~ **THEIR** responsibilities.
- (J) Full-time **TENURE-TRACK** faculty members ~~will be considered for~~ **ARE ELIGIBLE TO RECEIVE** second and third promotions any time after seven semesters of qualifying full-time **TENURE-TRACK** service in rank as defined below:
- (1) Qualifying service includes autumn and spring semesters. Summer term is not considered qualifying service although work completed during this term may be presented as evidence of academic excellence, service, and contributions.
 - (2) No more than one year of service credit will be granted for employment during any one fiscal year.
 - (3) Faculty who are granted promotion will accrue the benefits of that rank at the beginning of the next autumn semester.
 - (4) All persons granted promotions before the acceptance of this policy shall continue in that rank according to the rights and privileges of this policy.
- (K) A candidate not awarded a promotion may elect to seek due process ~~of a complaint~~ through the appeal process provided for in this policy. Such action precludes the faculty member from **PURSuing** ~~availability of~~ other forms of due process provided by College policy.
- (L) After a faculty member has received tenure ~~and the first promotion~~, further promotion in rank is not a condition of employment.
- (M) Unsuccessful candidates for promotion in any given year may reapply for promotion during any succeeding year without prejudice or negative inference from the previous denial.
- (N) All proceedings and decisions related to promotion and tenure process shall be held in confidence and made available only to those persons involved in process.
- (O) The President will adopt and implement procedures for the following:

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

PROMOTION AND TENURE

Effective August 31, 2015

Policy 5-19

Page 4 of 4

- (1) Initial placement in rank.
 - (2) The presentation of a faculty member's work for the promotion and tenure process.
 - (3) The evaluation of a faculty member's work by peers and administrators.
 - (4) The timeline for submissions and evaluations.
 - (5) The composition and tasks of Promotion and Tenure Review Committees.
 - (6) The composition and tasks of the Promotion and Tenure Appeals Committee.
- (P) If for any reason the President determines that there is an issue with the implementation of this policy and related procedures, the President, in consultation with the Senior Vice-President for Academic Affairs and CSEA, may take whatever steps are deemed appropriate to ensure the proper functioning and integrity of the procedures. Such issues might include, but are not limited to, paid or unpaid leaves of absence (due to illness, military duty, jury duty, ~~maternity~~ PARENTAL leave, etc.) or catastrophic events (fire, flood, death in the family, etc.). A request for special consideration should be made in a timely manner, and documentation of the situation (if available) should be provided.

New Policy

Note: Replacing Current Policy 5-02, Faculty Tenure and related Procedures 5-02 (E), (F), and 3-01 (B)

Columbus State Community College Board Action Sheet

SUBJECT

Revision to Operational Budget Policy 9-01.

BACKGROUND INFORMATION

Policy 9-01 was last updated in 2007. The proposed revisions include the elimination of projections of income and expenses for the fiscal year as a required component of the operational budget each year, while maintaining that the President establish a process for preparing an annual operational budget that meets the expectations of the Board of Trustees for its approval. The proposed revisions also include a provision to allow certain academic departments to purchase alcohol as part of an academic program and clarifies that the Board may delegate authority to the President to allocate funds for expenses not included in the approved operational budget.

Procedures related to Policy 9-01 will be updated and implemented subsequent to the Board of Trustees approval of the revised policy.

RECOMMENDATION

That the Board of Trustees approve the proposed revisions to Policy 9-01, as presented, with an effective date of November 17, 2022.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

OPERATIONAL BUDGET

Effective April 1, 2007

Policy No. 9-01

Page 1 of 1

- (A) The Board of Trustees reviews and approves the College's annual operational budget. The annual operational budget can be amended only by action of the Board of Trustees.
- (B) Only the Board of Trustees, OR AS DELEGATED TO THE PRESIDENT, shall have the authority to allocate funds for expenses not included in the approved operational budget.
- (C) The fiscal year begins July first 1ST of each year and ends June thirtieth 30TH of the following year.
- (D) ~~The college's operational budget shall include a projection of income and expenditures for the fiscal year.~~
- (D) The President shall establish a process for preparing an annual operational budget for review and approval by the Board of Trustees.
- (E) An annual operational budget shall be approved by the Board of Trustees for the fiscal year before June thirtieth 30TH of the preceding fiscal year. If the Board of Trustees does not approve an operational budget for a fiscal year, it shall adopt an interim operational budget in order for funds to be expended for the operation of the College.
- (F) The Board of Trustees shall review the operating budget at least once each fiscal year by January 31st to consider its amendment, and at other times during the fiscal year as necessary.
- (G) Expenditures of approved budget funds shall support and advance the College's mission and shall be made in accordance with College policyIES and college procedures. Expenditures that support and advance the College's mission may include beverages, meals, refreshments, and other amenities. No funds held by the College shall be used to purchase alcohol unless purchased for resale by a College auxiliary enterprise with a liquor permit OR AS NEEDED FOR ACADEMIC PROGRAMS WITHIN HOSPITALITY MANAGEMENT AND CULINARY ARTS.
- (H) The Board of Trustees may accept for administration, funds from another state or other agency or organization that are restricted for specific purposes.
- (I) The Board of Trustees shall have the authority to designate funds for specific purposes not provided for in the College's annual operational budget.
- (J) The President shall MAY establish procedures to administer this policy.

Revisions to Reports Policy 9-07.

BACKGROUND INFORMATION

Policy 9-07 was last updated in 1985. The proposed revision provides clarity and flexibility for periodic financial reporting to the Board of Trustees, which may continue to be monthly reporting but cannot be less than quarterly. This clarity considers periodic reporting that aligns to the budget approved for each fiscal year, which may be on a modified accrual basis, but recognizes that year-end financials are prepared on a basis required by accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

RECOMMENDATION

That the Board of Trustees approve the proposed revisions to Policy 9-07, as presented, with an effective date of November 17, 2022.

SUBJECT

New Free Speech Policy 13-15.

BACKGROUND INFORMATION

The new Free Speech Policy is in response to Senate Bill (SB) 135, which requires each state institution of higher education to adopt a First Amendment policy that affirms very prescriptive principles that are deemed to be the public policy of Ohio. These principles are in addition to compliance with other state and federal laws regarding the regulation of free speech on public campuses. SB 135 also requires an anti-retaliation statement in the policy and a process by which a student, student group or employee may submit a complaint about an alleged violation by an employee of its First Amendment policy. This process will be implemented in a subsequent procedure.

RECOMMENDATION

That the Board of Trustees adopts new policy 13-15, as presented, with an effective date of November 17, 2022.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

FREE SPEECH
Policy No. 13-15
Page 1 of 3

Effective November XX, 2022

(A) PURPOSE

The College recognizes the constitutional right to free speech and the protections of campus free speech as set forth in the Ohio Revised Code. In furtherance of these recognitions, the College affirms the following principles:

1. Students have a fundamental constitutional right to free speech;
2. The College is committed to giving students broad latitude to speak, write, listen, challenge, learn and discuss any issue;
3. The College is committed to maintaining a campus as a marketplace of ideas for students and faculty in which the free exchange of ideas is not suppressed because the ideas put forth are thought by some or most members of the College community to be offensive, unwise, immoral, indecent, disagreeable, conservative, liberal, traditional, radical or wrong-headed;
4. It is for individual students and faculty to make judgements about ideas for themselves, and to act on those judgements by openly and vigorously contesting the ideas they oppose and not by seeking to suppress free speech;
5. It is not the proper role of the College to attempt to shield individuals from free speech, including ideas and opinions they find offensive, unwise, immoral, indecent, disagreeable, conservative, liberal, traditional, radical or wrong-headed;
6. Although the College greatly values civility and mutual respect, concerns about civility and respect must not be used by the College as a justification for closing off the discussion of ideas, however offensive, unwise, immoral, indecent, disagreeable, conservative, liberal, traditional, radical or wrong-headed those ideas may be to some students or faculty;
7. Although students and faculty are free to state their views about and contest the views expressed on campus, and to state their views about and contest speakers who are invited to express their views on campus, they may not substantially obstruct or otherwise substantially interfere with the freedom of others to express views they reject or even loathe. To that end, the College has a responsibility to promote lively and fearless freedom of debate and deliberation and protect that freedom.
8. The College is committed to providing an atmosphere that is most conducive to speculation, experimentation, and creation by students and faculty, who must

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

FREE SPEECH
Policy No. 13-15
Page 1 of 3

Effective November XX, 2022

remain free to inquire, study, evaluate and gain new understanding; and

9. The primary responsibility of faculty is to engage an honest, courageous and persistent effort to search out and communicate the truth that lies in areas of their competence.

(B) EXCEPTIONS

Nothing in this policy prohibits the College from imposing measures that do not violate federal or state protections, including:

1. Constitutional time, place and manner restrictions;
2. Reasonable viewpoint-neutral restrictions in nonpublic forums;
3. Restrictions on the use of the College's property to protect the free speech rights of students and employees and preserve the use of property for the advancement of the College's mission;
4. Prohibitions or limitations on speech, expression or assemblies that are not protected under the U.S. or Ohio constitutions;
5. Content restrictions on speech that are reasonably related to legitimate pedagogical purpose, such as classroom rules enacted by faculty.

(C) COMPLAINT PROCESS

A student, student group or employee may submit a complaint against a College employee for an alleged violation of this policy.

(D) RETALIATION

Retaliation in any form against an individual who brings forth a good faith allegation of a violation of the College's Free Speech policy, participates in an investigation of an allegation of the College's Free Speech policy or supports someone involved in an allegation of the College's Free Speech policy is strictly prohibited by the College. Examples of retaliation include, but are not limited to, intimidation; threats or actual violence against the person, their family or property; adverse educational or employment consequences; ridicule; bullying; and ostracism or attempting any such actions. Retaliation also includes encouraging someone else to take such actions against an individual for reporting, participating or supporting someone involved in an allegation of a violation of the College's Free Speech policy.

COLUMBUS STATE COMMUNITY COLLEGE
POLICY AND PROCEDURES MANUAL

FREE SPEECH
Policy No. 13-15
Page 1 of 3

Effective November XX, 2022

Retaliation is a serious violation that can subject the offender to sanctions, and allegations of retaliation should be promptly reported to the Hearing Officer.

- (E) The President may establish procedures to administer this policy.

COLUMBUS STATE COMMUNITY COLLEGE BOARD ACTION

DATE: _____

SUBJECT:

Financial Statements as of and for the Three Months Ended September 30, 2022.

BACKGROUND INFORMATION:

Columbus State Community College policy requires that monthly the President provide each Board of Trustees member a copy of the college's financial statements.

FOR INFORMATION ONLY

COLUMBUS STATE

COMMUNITY COLLEGE

October 25, 2022

TO: Dr. David T. Harrison, President

FROM: Aletha M. Shipley, Senior Vice President | Chief Financial Officer | Treasurer

SUBJECT: Financial Statements as of September 30, 2022

Attached are the financial statements of the Columbus State Community College District and the Foundation for the period ended September 30, 2022.

1. **General Fund** (Exhibit B)

Revenues. For the month of September, YTD revenues reported for FY23 are 2.1% (\$698K) above last year with State Subsidy up 3.2% (\$611K), and Special Courses up 167.2% (\$332K). Year-to-date tuition revenue is down 2.8% (\$368K), which is the result of SU22 and AU22 enrollment landing down even though a 3.0% tuition increase became effective this fall.

Enrollment for AU22 was budgeted up 3.0% from last year but is estimated to land 1.7% down. There are positive signs that the College is beginning to recover from enrollment lost during the pandemic. New students are 12.1% up, in large part a result of the Columbus Promise Program, and College Credit Plus (CCP) enrollment is 15.2% up after being down last year. Both Columbus Promise and CCP are enrollment recovery strategies that are proving successful so far. The year-end projection shown on Exhibit B (Column G) assumes that the SP23 semester follows the same trend as this fall, but the positive areas of growth of new students and CCP could result in enrollment performing better overall this spring.

State Subsidy (State Share of Instruction or SSI) is budgeted 3.1% (\$2.4M) higher than what was received in FY22, based on ODHE’s preliminary FY23 calculation for Columbus State. The year-end projection assumes what is budgeted for SSI and assumes that Special Courses will be \$180K above budget due to the Language Institute serving more students than anticipated.

Term	Budgeted Credit Hours	Actual Credit Hours*	Budget to Actual Increase/ Decrease	Prior Year FTEs	Current Year FTEs*	% Variance
Summer 2022**	37,546	32,282	-14.0%	5,150	4,679	-9.2%
Autumn 2022	201,316	192,792	-4.2%	13,080	12,853	-1.7%
Spring 2023	180,834					
Summer 2023**	45,407					

* Summer 2022 credit hours and FTEs are Census Day numbers provided by the Office of Institutional Effectiveness (IE). Autumn 2022 credit hours and FTEs are estimates by the Resource Planning & Analysis (RPA) Office based on current trends.

** Summer semester 2022 straddles both FY22 and FY23, with 46% of the revenue attributed to FY23. Likewise, Summer semester 2023 straddles both FY23 and FY24, with 54% of the revenue attributed to FY23.

Expenses and Transfers. Through the month of September, expenditures are 1.3% (\$507K) higher than the same period last year. Higher spending patterns are emerging in FY23 as the College continues to shift back to in-person operations. The year-end projection provided on Exhibit B (Column G) assumes significant underspending due primarily to one-time vacancy savings that are mostly the result of continued hiring challenges.

COVID-19 Federal Support. The College has been awarded a number of federal grants to address needs related to the pandemic since FY20. Only three grants remain for FY23: HEERF (Institutional), HEERF (Student), and Title III. All are expected to expire at the end of FY23 and the College is on pace to use all of the remaining funds.

2. **Auxiliary Fund** (Exhibit D)

Bookstore revenues are up \$144K, or 4.2%, compared to the same period last year. Textbook sales are nearly flat and General Merchandise is up \$89K. Investment income is down \$105K. Overall, Auxiliary expenses are down 5%, about \$20K, primarily due to a decrease in Bookstore expenses while Food Services and Auxiliary Administration expenses combined to increase by just \$2,276. Food Service revenues are up \$21K to last year while there was no Other revenue to date for FY23 due to parking not being charged for Autumn semester.

3. **Foundation** (Exhibits F and G)

Total Foundation revenues are down \$216K, primarily due to investment losses totaling nearly \$747K. Revenue for Taste the Future is up 43% or \$32K. Unrestricted expenses are up 23.7% compared to last year, mainly due to community outreach, fundraising, and staff expenses.

4. **Investments**

The College's portfolio is invested consistently with its investment policy, with 27.07% currently invested in STAR Ohio and other money markets, and the balance in various federal agencies, municipal bonds, and treasury notes. Several investment funds were created in FY21 to maximize earnings on the proceeds from the \$150M of bonds issued in October 2020 and proceeds from Franklin County tax collections for debt service for the College's first ever voted bond issue. Of the \$1.706M net loss in interest income reported on Exhibit B, \$2.107M is unrealized loss while \$401K is realized income and includes earnings generated from bond proceeds.

Note: Investments

Investments are valued at market, which is generally determined by use of published market quotations. Realized gains and losses from sale or redemption of investments are based upon the cost of the specific investment sold or redeemed. Purchases and sales of investments are reflected on a trade-date basis.

A summary of investments is as follows:

	<u>Cost</u>	<u>Market</u>	<u>Percent of Portfolio</u>
Cash & Equivalents	\$ 1,442,492	1,442,492	9.75%
Equities	4,912,942	4,820,119	32.58%

	Cash & Equivalents	15.32%
		<u>100.00%</u>

* This includes discount notes, callable, non-callable, securitized, and step-up agency investments.

2) **Inventories**

Bookstore inventories at year-end are stated at actual cost. A complete physical inventory is taken annually and adjustments, if any, are recorded.

A weighted average cost is used for inventory for the Retail Operations in Mitchell Hall. Inventory is taken monthly and adjustments, if any, are recorded.

3) **Plant Funds**

Physical plant and equipment are stated at cost at date of acquisition or fair value at date of donation in case of gifts. Depreciation of physical plant and equipment is recorded.

4) **Long-term debt**

Outstanding long-term debt consists of bonds payable in annual installments varying from \$800,000 to \$1,285,000 with interest rates of 1.65% to 5%, the final installment being due in 2041. Approximately \$21.7M are general receipts bonds collateralized by a gross pledge basis, of the general receipts of the college, which include the full of every type and character of receipts, excepting only those specifically excluded which are primarily those that are appropriated from the State of Ohio. Debt service for this long-term debt is paid from an annual allocation in the College's Operating fund, the Auxiliary Services fund, and from the Development Foundation from funds raised through a capital campaign. The balance of the bonds, nearly \$139M, are voted general obligation debt. Debt service for this debt is paid from collections of ad valorem taxes in Franklin County, Ohio.

5) **Interfund Accounts**

All interfund borrowings have been made from current funds and amounts are due currently without interest.

Columbus State Community College Board Action

DATE: _____

SUBJECT

Personnel Information Items.

BACKGROUND INFORMATION

In accordance with a Board of Trustees resolution approved and adopted at their regular meeting held on October 18, 1978, the President has the authority to make staff appointments to positions which have already been approved by the Board and included in the current budget to accept faculty and staff resignations.

FOR INFORMATION ONLY

COLUMBUS STATE COMMUNITY COLLEGE

BOARD OF TRUSTEES

INFORMATION ONLY

In accordance with a Board Resolution approved and adopted at a regular meeting held on October 18, 1978, which enables the President to make employee appointments to positions which have already been approved by the Board and included in the current budget, the following persons have been **appointed**.
