

Math Placement Group D1 (placement results will be explained at the New Student Workshop/Orientation)

Your Placement Group letter represents your math course eligibility, **it is not a grade.**

NEXT STEPS

- Step 1:** Attend a **New Student Workshop/Orientation** or contact an Academic Advisor.
- Step 2:** Find your major in the chart below and note the color coding.
- Step 3:** Go to the back of this page and identify the math courses listed with the matching color. Based on your test results, the course in the **red box** on the back of this page is the highest math course you are eligible to take during your first term.

Options 1-4, 8A, and 9A apply to CSCC's **Associate of Applied Science** degrees.

These options provide students with skills to enter the workforce upon graduation from CSCC and offer limited options to transfer credits to a bachelor's degree program.
