IT Flexible Apprenticeship

COLLEGE & CAREER COMBINED

WHAT IS THE IT FLEXIBLE APPRENTICESHIP?

The IT Flexible Apprenticeship (ITFA) is a partnership between Central Ohio employer partners and Columbus State that provides a paid work experience where students benefit from applying what they are learning in the classroom in a real-life work experience. Don't wait to graduate to start your career experience… You can now do college and career concurrently!

ELIGIBILITY

Aligned Academic Majors

- Cybersecurity A.A.S
- Software Development A.A.S
- Software Development Certificate
- Data Center Technician*
